Dear Shareholder,

Annual General Meeting 2023

I am pleased to enclose the Notice convening the forthcoming Annual General Meeting (the 'AGM' or the 'Meeting') for shareholders of PageGroup plc (the 'Company'), which will be held on Thursday 1 June 2023. The AGM will take place at 200 Dashwood Lang Road, Bourne Business Park, Addlestone, Surrey KT15 2NX and will commence at 9.30am. You will have been provided with a hard copy of the Company's Annual Report and Accounts for 2022 or been notified that the Company's Annual Report and Accounts are available at www.page.com.

The business to be considered at the AGM is set out in the Notice at Section A on pages 4 to 6 of this document. Explanatory notes on each resolution to be considered at the AGM appear in Section B on pages 7 to 9 of this document. However, I would like to draw your attention to the items of business referred to below.

Board of Directors (Resolutions 5 to 12)

The Company complies with the requirements of the UK Corporate Governance Code ('the Code') which requires all Directors to stand for election, in their first year of appointment, and re-election for each year thereafter. The Board contains a broad range of complementary skills and experience from different industries and from international markets which support the strategic aims of the Company.

Nicholas Kirk succeeded Steve Ingham as Chief Executive Officer of the Company on 1 January 2023. Nick has 28 years' experience with the Group, leading key markets such as the UK and US. Nick's full biography can be found at www.page.com. The Board is confident he has the requisite skills and experience to lead the Group in the execution of its strategy.

As previously announced, Babak Fouladi will be appointed to the Board. His appointment will commence from 10 April 2023. Babak has extensive international technology experience. His appointment ensures that the Board is well equipped to make informed decisions on all aspects of its technology and innovation programmes. His full biography can be found on www.page.com.

Biographical details for all the Directors seeking election or re-election, together with their key strengths and experience, including details of their contribution and how it is, and continues to be, important for the Company's long-term sustainable success are set out on pages 78 to 82 of the Annual Report and Accounts 2022. Each of the Directors being proposed for re-election has been subject to a performance evaluation and all Directors are considered to be effective in their role and to be committed to making available the appropriate time for Board, and where applicable, Board Committee meetings and other duties.

Remuneration Policy and Remuneration Report (Resolutions 2 and 3)

The Company reviewed its Remuneration Policy in 2022 and engaged extensively with our shareholder base to seek their views on Executive reward. We received strong support for the Executive Single Incentive Plan ('ESIP'). The ESIP was introduced in 2017 to align with our business model and has been tested through a range of market conditions over recent years. It is designed to reduce volatility, recognises the cyclical nature of the recruitment industry, drives alignment of pay outcomes to Company performance and ensures Executive Directors build up significant shareholding in the business. For these reasons, no material changes to the ESIP structure are being proposed, other than levelling the Chief Financial Officer's ('CFO') maximum incentive opportunity to 375% of base salary, this being the same level as the Chief Executive Officer's maximum opportunity. This is to ensure that reward levels remain competitive for our CFO. Full details of the Policy can be found on pages 104 to 109 of the Annual Report and Accounts and is covered by resolution 2.

Resolution 3 is an advisory vote on the Directors' Remuneration Report contained in the 2022 Annual Report and Accounts.

Actions to be taken by shareholders

Voting on Resolutions 1 to 19 will be conducted by way of a poll. Your Board believes this is more transparent and equitable as the voting intentions of all members are taken into account. The result of the poll will be announced via a Regulatory Information Service and made available at www.page.com as soon as practicable after the AGM.

You can appoint your proxy and advise us of your voting instructions by completing and submitting your proxy form online through the website of our Registrar, Link Group, at www.signalshares.com by logging in with your username and password and following the instructions. If you have forgotten your username or password, you can request a reminder via www.signalshares.com. If you have not previously registered, you will need your Investor Code, which can be found on your share certificate.

Link Group, the Company's registrar, has also launched a shareholder app: LinkVote+. It is free to download and use and gives shareholders the ability to access their shareholding record at any time and allows users to submit a proxy appointment quickly and easily online rather than through the post. Further details can be found on page 10.

If you are an institutional investor, you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io and refer to page 10.

Enclosed with this letter is a pre-addressed Form of Proxy for use at the AGM. Shareholders should return the completed Form of Proxy to the Company's Registrars, Link Group as soon as possible, but in any event no later than 9.30am on Tuesday 30 May 2023. Please refer to Section C for further details as to how to appoint proxies and the deadline for submission.

Shareholder questions

The Board considers it important that shareholders have the opportunity to raise questions with the Board and appreciate not all our shareholders will wish to attend in person. Shareholders can send any questions that they have in connection with the matters arising at the AGM by emailing Investorrelations@pagegroup.co.uk. The Board will seek to respond to questions received by close of business on Friday 19 May 2023 on or before Wednesday 24 May 2023. Responses to questions received after Friday 19 May 2023 will be published as soon as practicable following the AGM. Questions received and the Company's responses will be published on the Company's website.

Recommendation

The Board consider that all the proposals to be considered at the AGM are likely to promote the success of the Company and are in the best interests of the Company and its shareholders as a whole. The Directors unanimously recommend that you vote in favour of the Resolutions as they intend to do in respect of their own beneficial holdings which amount to 509,550 shares representing 0.16% of the existing issued share capital of the Company.

Yours sincerely

Angela Seymour-Jackson

Chair of the Board

Section B: Explanatory Notes to the Resolutions

1. Resolution 1 – To receive the Annual Report and Accounts

The Chair will present the Accounts and Reports of the Directors and auditor for the year ended 31 December 2022 to the AGM.

2. Resolution 2 – Approval of the Directors' Remuneration Policy

Resolution 2 is to approve the Directors' Remuneration Policy (the Policy) which is set out in full in the Directors' Remuneration Report on pages 104 to 109 of the Annual Report and Accounts. Section 439A of the Companies Act 2006 requires that the Policy is subject to a separate resolution for shareholder approval. The vote is binding and once the Policy is approved the Company will not be able to make a remuneration payment to a current or past director, unless that payment is consistent with the Policy. If the Policy is approved and remains unchanged, it will be valid for up to three financial years without a new shareholder approval. If the Company wishes to change the Directors' Remuneration Policy, it will need to put the revised policy to a vote again before it can implement the new policy.

3. Resolution 3 – Approval of the Directors' Remuneration Report

Resolution 3 is the ordinary resolution to approve the Directors' Remuneration Report which is set out on pages 99 to 126 of the Annual Report and Accounts and contains:-

- (a) a statement by Karen Geary, the Remuneration Committee Chair; and
- (b) the Annual Report on Remuneration, which sets out payments made in or relating to the financial year ending 31 December 2022.

Resolution 3 is an advisory resolution and does not affect the future remuneration paid to any Director.

4. Resolution 4 – Final Dividend

A final dividend of 10.76p per ordinary share for the year ended 31 December 2022 is recommended for payment by the Directors. If approved, this will be paid on 19 June 2023 to all ordinary shareholders who were on the Register of Members at the close of business on 19 May 2023.

5. Resolutions 5 to 12 – Election and re-election of Directors

In keeping with the Board's aim of following best corporate governance practice, each member of the Board, except Patrick De Smedt who as previously announced is stepping down from the Board at the conclusion of the Meeting, is standing for election or re-election by shareholders at this year's Meeting.

Biographical information for all Directors standing for re-election including details of their contribution and how it is, and continues to be, important for the Company's long-term sustainable success is contained at pages 78 to 82 of the Company's Annual Report and Accounts for 2022. All Directors standing for re-election have been subject to performance evaluation and continue to perform effectively and demonstrate commitment to the role.

Nicholas Kirk and Babak Fouladi are standing for election for the first time at the Meeting. Both individuals' full biography can be found on www.page.com. The Board is confident that these appointments will add value to its decision making. Nick has worked for the Group for 28 years, leading key markets such as the US and UK. Babak has extensive international technology experience, a key strategic priority for the Group.

6. Resolutions 13 and 14 – Appointment of auditor and auditor's remuneration

Resolution 13 relates to the appointment of Ernst & Young LLP as the Company's auditor to hold office until the next general meeting of the Company at which accounts are laid. Resolution 14 authorises the Audit Committee of the Board to set the auditor's remuneration.

7. Resolution 15 – Directors' authority to allot shares

If passed, Resolution 15 will give the Directors authority to allot Ordinary shares in the capital of the Company up to a maximum nominal amount of £1,095,395.91, representing approximately one-third of the Company's issued Ordinary share capital as at 5 April 2023 (the

latest practicable date before publication of this Notice). This authority is within the Investment Association guidelines on Directors' authority to allot shares. This authority will lapse 15 months from the passing of the resolution or at the next Annual General Meeting, whichever shall first occur. The Directors have no present intention of allotting new shares, however they consider it appropriate to maintain the flexibility that this authority provides. As at the date of this Notice the Company does not hold any Ordinary shares in the capital of the Company in treasury.

8. Resolution 16 - Donations to political organisations and political expenditure

For the purpose of this resolution, 'political donations', 'political organisations' and 'political expenditure' have the meanings given to them in sections 363 to 365 of the Companies Act 2006 (the 'Act'). In accordance with its business principles, it is the Company's policy not to make contributions to political parties. There is no intention to change it. However, what constitutes a 'political party', a 'political organisation', 'political donations' or 'political expenditure' under the Act is not easy to decide as the legislation is capable of wide interpretation. Sponsorship, subscriptions, payment of expenses, paid leave for employees fulfilling public duties and support for bodies representing the business community in policy review or reform, among other things, may fall within these terms. Therefore, notwithstanding that the Company has not made a political donation in the past, and has no intention of, either now or in the future, making any political donation or incurring any political expenditure in respect of any political party, political organisation or independent election candidate, the Board has decided to put forward Resolution 16 to renew the authority granted by shareholders at the last Annual General Meeting of the Company. This will allow the Company to continue to support the community and put forward its views to wider business and Government interests without running the risk of being in breach of the law. As permitted under the Act, Resolution 16 also covers any of these activities by the Company's subsidiaries.

9. Resolution 17 – Disapplication of pre-emption rights

Resolution 17 will give the Directors authority to allot shares in the capital of the Company pursuant to the authority granted under Resolution 15 for cash without complying with the pre-emption rights in the Act in certain circumstances.

The Pre-Emption Group's Statement of Principles were revised in November 2022 (the 'Pre-Emption Group Principles') to allow companies to seek authority for an issue of shares for cash otherwise than in connection with a pre-emptive offer to include: (i) an authority up to 10% of a company's issued share capital for use on an unrestricted basis; and (ii) an additional authority up to a further 10% of a company's issued share capital for use in connection with an acquisition or specified capital investment announced contemporaneously with the issue, or has taken place in the twelve month period preceding the announcement of the issue. In both cases, an additional authority of up to 2% may be sought for the purposes of making a follow-on offer.

Having considered the revised Pre-Emption Group Principles, the Directors consider it appropriate to seek a disapplication authority over 10% of the Company's issued share capital for use on an unrestricted basis. This is in line with institutional shareholder guidance and within the limits set out the Pre-Emption Group's Principles. This is also in line with the Company's previous approach where it sought the maximum disapplication authority then available for use on an unrestricted basis under the previous Pre-Emption Group Principles. The Board considers that Resolution 17 is in the best interests of the Company and its shareholders generally that the Company have the flexibility conferred by it to conduct a pre-emptive offering without complying with the strict requirements of the statutory pre-emption provisions and to finance business opportunities quickly and efficiently when they arise. The Directors confirm their intention to follow the shareholder protections contained in Part 2B of the Pre-emption Group Principles.

Resolution 17 will therefore permit the directors to allot:

(a) equity securities for cash and sell treasury shares up to a nominal amount of £1,095,395.91, representing approximately one-third of the Company's issued share capital as at 5 April 2023 (the latest practicable date prior to publication of this document) subject to any adjustments, such as for fractional entitlements and overseas shareholders, as the Directors see fit; and

(b) equity securities for cash and sell treasury shares up to a maximum nominal value of

£328,618.77, representing approximately 10% of the issued ordinary share capital of the Company as at 5 April 2023 (the latest practicable date prior to publication of this document) otherwise than in connection with a pre-emptive offer to existing shareholders.

As noted in relation to Resolution 15 above, the directors have no current intention of issuing ordinary shares other than in relation to the Company's employee share schemes.

The authority contained in Resolution 17 will expire upon the expiry of the authority to allot shares conferred in Resolution 15 (that is, 15 months from the passing of the resolution or at the next Annual General Meeting, whichever shall first occur).

10. Resolution 18 – Authority to purchase own shares

Resolution 18 gives the Company authority to purchase its own Ordinary shares in the market as permitted by the Act. The authority limits the number of shares that could be purchased to a maximum of 32,861,877, (representing 10% of the Company's issued Ordinary share capital as at 5 April 2023, the latest practicable date prior to publication of this Notice) and sets minimum and maximum prices. This authority will expire 15 months from the passing of the resolution or at the next Annual General Meeting, whichever shall first occur.

The Directors have no present intention of exercising the authority to purchase the Company's Ordinary shares but consider it prudent to obtain the flexibility this resolution provides. In considering whether to use this authority, the Directors will take into account matters including the financial resources of the Company, the Company's share price and future funding opportunities. The authority will be exercised only if the Directors believe that to do so would result in an increase in earnings per share and would be in the interests of shareholders generally. Any purchases of Ordinary shares would be by means of market purchases through the London Stock Exchange.

Listed companies purchasing their own shares are allowed to hold them in treasury as an alternative to cancelling them. No dividends are paid on shares while they are held in treasury and no voting rights attach to treasury shares. If Resolution 18 is passed at the Meeting, it is the Company's current intention to cancel all of the shares it may purchase pursuant to the authority granted to it. However, in order to respond properly to the Company's capital requirements and prevailing market conditions, the Directors will need to reassess at the time of any and each actual purchase whether to hold the shares in treasury or cancel them, provided it is permitted to do so.

11. Resolution 19– Notice of general meetings

This resolution seeks authority to allow the Company to call general meetings, other than an Annual General Meeting, on 14 clear days' notice. The minimum notice period for general meetings of listed companies is 21 clear days, but companies may reduce this period to 14 clear days (for meetings other than for Annual General Meetings) provided that the requirements set out in the Act are complied with, and in particular, two conditions are met. The first condition is that a company offers a facility for shareholders to vote by electronic means. This condition is met if a company offers a facility, accessible to all shareholders, to appoint a proxy by means of a website. The second condition is that there is an annual resolution of shareholders approving the reduction of the minimum notice period from 21 clear days to 14 clear days. If approved, the resolution will allow the Company to retain maximum flexibility to seek shareholder approval for any future change or transaction that may require such approval. This authority will be effective until the next Annual General Meeting, when it is intended that a similar resolution will be proposed. The Board will consider on a case by case basis whether the use of the flexibility offered by the shorter notice period is merited, taking into account the circumstances, including whether the business of the meeting is time sensitive and whether it is thought to be to the advantage of shareholders as a whole.

Section C: Notes to the Notice

1. To be entitled to attend and vote, whether in person or by proxy, at the Annual General Meeting (the 'Meeting'), members must be registered in the Register of Members of the Company at 8.00pm on 30 May 2023 (or, if the Meeting is adjourned, at 8.00pm on the date which is two days prior to the adjourned Meeting). Changes to entries on the Register of Members after this time shall be disregarded in determining the rights of persons to attend or vote (and the number of votes they may cast) at the Meeting or adjourned Meeting. A member entitled to attend and vote at the Meeting may appoint another person(s) (who need not be a member of the Company) to exercise all or any of their rights to attend, speak and vote at the Meeting. A member can appoint more than one proxy in relation to the Meeting, provided that each proxy is appointed to exercise the rights attaching to different shares held by them. Your proxy will vote as you instruct and must attend the Meeting for your vote to be counted. Unless otherwise indicated on the Form of Proxy, CREST, Proxymity or any other electronic voting instruction, the proxy will vote as they think fit or, at their discretion or withhold from voting.

4. A copy of this Notice has been sent for information only to persons who have been nominated by a member to enjoy information rights under section 146 of the Companies Act 2006 (a 'Nominated Person'). The rights to appoint a proxy cannot be exercised by a Nominated Person, they can only be exercised by the member. However, a Nominated Person may have a right under an agreement between him/her and the member by whom they were nominated to be appointed as a proxy for the Meeting or to have someone else so appointed. CREST Personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & International Limited's ('EUI') specifications and must contain the information required for such instructions, as described in the CREST Manual. The message (regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID number – RA10) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

6. CREST members and, where applicable, their CREST sponsors or voting service providers, should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
