3 Explanatory Notes

Resolutions 1 to 10 (inclusive) are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 11 to 14 (inclusive) are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

3.1 Resolution 1 (Annual Report and Financial Statements)

The Directors of the Company (the “**Directors**”) must present to the meeting the audited Annual Report and Financial Statements for the year ended 31 March 2024 (the “**Annual Report and Financial Statements**”).

3.2 Resolution 2 (Directors’ Remuneration Report)

This resolution is to approve the Directors’ Remuneration Report, which is set out on pages 58 to 61 of the Annual Report and Financial Statements. The vote on this resolution is advisory only and the Directors’ entitlement to remuneration is not conditional on it being passed.

3.3 Resolutions 3 and 4 (Appointment and remuneration of Auditor)

The Company must appoint an Auditor at each general meeting at which accounts are presented to shareholders to hold office until the conclusion of the next such meeting. Resolution 3 seeks shareholder approval to re-appoint BDO LLP as the Company’s Auditor and Resolution 4 seeks authority for the Board of Directors of the Company to determine the Auditor’s remuneration for the year ending 31 March 2025.

3.4 Resolutions 5 to 8 (Re-election of Directors)

Under the Company’s current Articles of Association, the Directors are subject to election by shareholders at the first annual general meeting after their appointment. Thereafter, at each annual general meeting any Director who has not stood for re-election at either of the two preceding annual general meetings shall retire. In addition, one-third of the Directors eligible to retire by rotation shall retire from office at each annual general meeting. Beyond these requirements, and in accordance with the AIC Code of Corporate Governance, the Board has agreed a policy whereby all Directors will seek annual re-election at the Company’s annual general meetings.

Biographies for all of the Directors are set out on pages 46 and 47 of the Annual Report and Financial Statements. As a result of the annual performance evaluation process, the Board considers that all Directors continue to be effective, are committed to their roles and remain wholly independent in character and judgement. They each bring extensive knowledge and experience to the Board, demonstrate a range of valuable skills and each Director’s contribution supports the long-term sustainable success of the Company. The Board therefore recommends that shareholders vote in favour of each Directors proposed re-election.

3.5 Resolutions 9 and 10 (Authority to allot Shares)

These resolutions deal with the Directors’ authority to allot ordinary Shares of one pence each in the capital of the Company (“**Shares**”) in accordance with section 551 of the Companies Act 2006 (the “**Act**”).

If passed, resolution 9 will authorise the Directors to allot Shares up to a maximum nominal amount of £158,424.74, which represents approximately 10 per cent. of the Company’s issued Shares (excluding Shares held in treasury) as at 28 June 2024 (being the latest practicable date prior to the publication of this document).

If passed, resolution 10 will authorise the Directors to allot further Shares, in addition to those which may be allotted under resolution 9, up to a maximum nominal amount of £158,424.74, which represents approximately 10 per cent. of the Company’s issued Shares (excluding Shares held in treasury) as 28 June 2024 (being the latest practicable date prior to the publication of this document).

As at the date of this document, the Company held 350,000 Shares in treasury, which represents approximately 0.22 per cent. of the total ordinary share capital in issue (excluding Shares held in treasury) as at 28 June 2024 (being the latest practicable date prior to the publication of this document).

If both resolution 9 and resolution 10 are passed, authority will be granted to the Directors to allot up to a maximum nominal amount of £316,849.49, which is a total of up to 20 per cent. of the existing issued ordinary share capital of the Company (excluding Shares held in treasury) as at 28 June 2024 (being the latest practicable date prior to the publication of this document). The Board recognises that this authority is beyond the standard 10 per cent. authority typically sought by investment companies, but believes that the passing of both resolution 9 and resolution 10 is in shareholders' interests given that:

- the authorities would provide greater flexibility to allow the Company to take advantage of potential investment opportunities sourced by the Company's Investment Manager; and
- any Shares issued under these authorities will not be issued at prices less than the last published net asset value ("NAV") per Share (adjusted for dividends) at the time of issue plus a premium to cover the costs of such issuance.

If resolution 9 is passed but resolution 10 is not passed, Directors will only be authorised to allot up to 10 per cent. of the existing issued ordinary share capital of the Company. Resolution 10 is conditional on resolution 9, so if resolution 9 is not passed resolution 10 will not be passed either.

Each of the authorities granted pursuant to resolution 9 and 10 will expire on the earlier of the conclusion of the annual general meeting of the Company to be held in 2025 (unless previously renewed, varied or revoked by the Company at a general meeting) and 30 September 2025.

The Directors have no present intention to exercise the authorities conferred by resolution 9 and resolution 10.

3.6 Resolutions 11 and 12 (Disapplication of statutory pre-emption rights)

By law, when new Shares are allotted or treasury Shares are sold for cash (otherwise than pursuant to an employee share scheme), they must first be offered to existing shareholders pro rata to their holdings. Each of resolutions 11 and 12 will, if passed, give the Directors power, pursuant to the authorities to allot granted by resolutions 9 and 10 respectively, to allot Shares or sell Shares from treasury for cash without first offering them to existing shareholders in proportion to their existing holdings, up to a maximum nominal amount of £158,424.74 which represents approximately 10 per cent. of the issued ordinary share capital (excluding Shares held in treasury) as at 28 June 2024 (being the latest practicable date prior to the publication of this document), which in aggregate amounts to £316,849.49, which represents approximately no more than 20 per cent. of the Company's issued ordinary share capital (excluding Shares held in treasury) as at 28 June 2024 (being the latest practicable date prior to the publication of this document). The powers granted by these resolutions will expire at the earlier of the conclusion of the annual general meeting to be held in 2025 (unless previously renewed, varied or revoked by the Company at a general meeting) and 30 September 2025.

The Directors have no present intention to exercise the authorities conferred by resolution 11 and resolution 12. Any Shares will only be allotted or sold out of treasury without pre-emption rights applying, at a premium to the latest published NAV (adjusted for dividends) together with an amount to cover the costs of any such issuance.

3.7 Resolution 13 (Authority for Market Purchases of Own Shares)

This resolution seeks authority for the Company to make market purchases of its own Shares. If passed, the resolution gives authority for the Company to purchase Shares representing up to 14.99 per cent. of the Company's issued share capital (excluding Shares held in treasury) as at 28 June 2024 (being the latest practicable date prior to the publication of this document). The resolution specifies the minimum and maximum prices that may be paid for any Shares purchased under this authority. The authority will expire at the earlier of the conclusion of the annual general meeting of the Company to be held in 2025 and 30 September 2025. The Directors will only exercise the authority to purchase Shares where they consider that such purchases will be in the best interests of shareholders generally and will result in an increase in earnings per Share. The Company may either cancel any Shares it purchases under this authority or transfer them into treasury (and subsequently sell or transfer them out of treasury or cancel them). On 28 June 2024 (the latest practicable date prior to the date of this document) the Company had no options or warrants in respect of the Shares.

3.8 Resolution 14 (Authority to call general meetings, other than annual general meetings, on 14 clear days' notice).

This resolution, if passed, will permit the Company to call general meetings (other than annual general meetings) on not less than 14 clear days' notice when matters arise that are time-sensitive and require expedited shareholder approval.

The usual 21 days' notice will be given for general meetings covering matters that are not time sensitive. The Company currently has no intention of using the shorter notice period, but it is useful to have this flexibility should the need to use it arise.

4 Recommendation and Voting Intentions

The Board considers that all the resolutions set out in the Notice of Annual General Meeting are in the best interests of the Company and its shareholders as a whole. The Board therefore recommends that you vote in favour of the resolutions as the Directors intend to do in respect of their own beneficial holdings, which represent approximately 0.69 per cent. of the Company's issued share capital (excluding Shares held in treasury) as at 28 June 2024.

Yours faithfully

Mark Burton
Chairman

11. That, subject to the passing of resolution 9, the Directors be and are empowered pursuant to sections 570 to 573 of the Act to allot Shares pursuant to the authority referred to in resolution 9 and/or to sell Shares from treasury for cash as if section 561 of the Act did not apply to any such allotment or sale provided that this power: (i) shall be limited to the allotment or sale for cash of up to an aggregate nominal amount of £158,424.74 (which represents approximately 10 per cent. of the Company's issued Shares (excluding Shares held in treasury) as at 28 June 2024); and (ii) expires at the earlier of the conclusion of the annual general meeting to be held in 2025 (unless previously renewed, varied or revoked by the Company at a general meeting) and 30 September 2025, save that the Company may, at any time prior to the expiry of such power, make an offer or enter into any agreement which would or might require Shares to be allotted or sold after the expiry of such power, and the Directors may allot or sell Shares in pursuance of such an offer or agreement as if such power had not expired. Notes:

These notes should be read in conjunction with the notes on the form of proxy.

1. At law, a shareholder entitled to attend and vote at this Annual General Meeting may appoint one or more persons as his/her proxy to attend, speak and vote on his/her behalf at the Annual General Meeting, although the appointment of a proxy will not prevent a shareholder from attending the Annual General Meeting and voting in person if he/she so wishes. A proxy need not be a shareholder of the Company. If multiple proxies are appointed, they must not be appointed in respect of the same Shares. To be effective, the enclosed form of proxy, together with any power of attorney or other authority under which it is signed or a certified copy thereof, should be lodged at the office of the Company's Registrar, Link Group, at the address printed on the form of proxy no later than 12 noon on Monday, 2 September 2024 or, if the meeting is adjourned, 48 hours before the time of the adjourned meeting (excluding UK non-working days).
2. Shareholders may submit their proxy vote electronically via the Registrar's portal by visiting www.signalshares.com. To be effective, the proxy vote must be submitted at www.signalshares.com so as to have been received no later than 12 noon on Monday, 2 September 2024 or, if the meeting is adjourned, 48 hours before the time of the adjourned meeting (excluding UK non-working days). By registering on the Signal shares portal at www.signalshares.com, you can manage your shareholding, including:
 - cast your vote;
 - change your dividend payment instruction;
 - update your address; and
 - select your communication preference.

If you need help with voting online, please contact our Registrar, Link Group by email at shareholderenquiries@linkgroup.co.uk or you may call Link on 0371 664 0391. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the UK will be charged at the applicable international rate. They are open between 09:00am – 17:30pm, Monday to Friday excluding public holidays in England and Wales.

3. A shareholder present in person or by proxy shall have one vote on a show of hands and, on a poll, every shareholder present in person or by proxy shall have one vote for every Share of which he/she is the holder. The termination of the authority of a person to act as proxy must be notified to the Company in writing. Amended instructions must be received by the Company's Registrar by the deadline for receipt of proxies.
4. To appoint more than one proxy, shareholders will need to complete a separate proxy form in relation to each appointment, stating clearly on each proxy form the number of Shares in relation to which the proxy is appointed. A Failure to specify the number of Shares to which each proxy appointment relates or specifying an aggregate number of Shares in excess of those held by the shareholder will result in the proxy appointment being invalid. Please indicate if the proxy instruction is one of multiple instructions being given. All proxy forms must be signed and should be returned together in the same envelope if possible. Further information and instructions on voting by proxy are set out in this section and printed on the accompanying proxy form.
5. In the case of joint shareholders, in voting on any question, the vote of the senior who tenders a vote (whether in person or by proxy) shall be accepted to the exclusion of the votes of the other joint holders. For this purpose, seniority is determined by the order in which the names of the joint shareholders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior). Therefore, where more than one of the joint shareholders completes a Form of proxy, only the appointment submitted by the most senior shareholder will be accepted.
6. Only those shareholders registered in the register of shareholders of the Company as at close of business on Monday, 2 September 2024 (the **"specified time"**) shall be entitled to attend or vote at the aforesaid Annual General Meeting in respect of the number of Shares registered in their name at that time. Changes to entries on the relevant register of securities after the specified time shall be disregarded in determining the rights of any person to attend or vote at the Annual General Meeting. If the Annual General Meeting is adjourned to a time not more than 48 hours after the specified time applicable to the original Annual General Meeting, that time will also apply for the purpose of determining the entitlement of shareholders to attend and vote (and for the purpose of determining the number of votes they may cast) at the adjourned Annual General Meeting. If, however, the Annual General Meeting is adjourned for a longer period then, to be so entitled, shareholders must be entered on the Company's register of shareholders at the time which is 48 hours (excluding UK non-working days) before the time fixed for the adjourned Annual General Meeting, or if the Company gives notice of the adjourned Annual General Meeting, at the time specified in that notice.

7. Shareholders who hold their Shares electronically may submit their votes through CREST. Instructions on how to vote through CREST can be found by accessing the following website: www.euroclear.com.
8. CREST shareholders who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for this annual general meeting and any adjournment thereof by following the procedures described in the CREST manual (available via www.euroclear.com). CREST personal shareholders or other CREST sponsored shareholders, and those CREST shareholders who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a “**CREST Proxy Instruction**”) must be properly authenticated in accordance with Euroclear UK & International Limited’s (“**Euroclear**”) specifications and must contain the information required for such instructions, as described in the CREST manual. The message, in order to be valid, must be transmitted so as to be received by the Company’s agent (ID RA10) by the latest time for receipt of proxy appointments specified in note 1 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. CREST shareholders and, where applicable, their CREST sponsors or voting service providers, should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST shareholder concerned to take (or, if the CREST shareholder is a CREST personal shareholder or sponsored shareholder or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST shareholders and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.
9. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.
10. Unless otherwise indicated on the Form of Proxy, CREST or any other electronic voting instruction, the proxy will vote as they think fit or, at their discretion, withhold from voting.
11. A person to whom this notice is sent who is a person nominated under section 146 of the Act to enjoy information rights (a “**Nominated Person**”) may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. The statements of the rights of shareholders in relation to the appointment of proxies in note 1 above do not apply to a Nominated Person. The rights described in those notes can only be exercised by registered shareholders of the Company.
12.
