Notice of

Annual General Meeting

30 June 2021

TO BE HELD AS A “REMOTE MEETING” ONLY

Please note that arrangements for the Annual General Meeting this year are different from those of previous years. As we expect restrictions on personal movement to still be in place due to Covid-19, we are utilising the provisions in our Articles of Association to convene and hold this year’s Annual General Meeting as a virtual meeting, which is explained in the letter from the Chairman set out on pages 4 to 5. You will not receive a form of proxy for the AGM in the post. Instead, you will find instructions in the section entitled “Notes to the notice of Annual General Meeting” to enable you to vote electronically and how to register to do so. To register, you will need your Investor Code, which can be found on your share certificate. Submission of a proxy vote will not preclude you from participating and voting on the poll at the AGM and you may request a paper form of proxy from the Company by emailing info@cobraplc.com. Proxy votes should be submitted as early as possible and in any event by no later than 9.30am on Monday 28 June 2021 in order to count towards the vote. All voting at the resolutions at the AGM will be conducted on a poll, which means that you should submit your proxy as soon as possible. There will be a limited opportunity to submit a separate poll card in a short interval after the virtual meeting formally concludes.

How to vote

Your votes matter. If you cannot attend, please vote your shares by appointing a proxy. You can vote online at www.signalshares.com or by returning a paper proxy instruction by email to info@cobraplc.com if you asked for a proxy form.

All voting at the Annual General Meeting will be held as a poll in accordance with the provisions of our articles of association, so you can rest assured that your vote will count. You will be able to download and submit a poll card (if you wish to change your vote or have not voted prior to the meeting) at the meeting. Instructions on how to do this will be given on the meeting platform.

How to speak

If you wish to raise a question at the Annual General Meeting, we ask that you submit your question in advance. We would politely remind you that the Directors will not answer questions relating to the individual rights of shareholders at the Annual General Meeting itself, but if you wish to submit such a question by email, we will respond to the extent we are able.

If you chose to submit a question, we will confirm to you at least 48 hours in advance of the meeting that the question will be addressed. Unless you specifically request otherwise, the Chairman will put your question to the meeting and identify you by name as the person who has put the question (in the same way as he would ask you to identify yourself at an in-person meeting). Conducting the meeting in this way will allow everyone present to clearly hear the question.

In addition, there will be a short period at the start of the meeting for additional questions, but we would be very grateful if any matters could be raised in advance, as this will enable questions to be dealt with expediently.

Questions on the day will be taken by shareholders using the electronic “raise your hand” feature or typing their question into the Q&A box in the meeting. You will be kept on mute by the meeting host unless and until you are invited to ask your question(s).

Please submit any questions by email to info@cobraplc.com with the subject line “AGM Question”.

Chairman's letter

Dear Shareholder,

I look forward to welcoming you at the Cobra Resources plc (the “**Company**” or “**Cobra**”) Annual General Meeting (“**AGM**”), on 30 June 2021. The AGM will start at 9:30 a.m.

In light of the ongoing Coronavirus pandemic and with a view to taking appropriate measures to safeguard its shareholders health and make the AGM as safe and efficient as possible, the Company is invoking certain of the meetings provisions in its articles of association. These provisions allow the Company to hold virtual and semi-virtual shareholder meetings if necessary.

Accordingly, we appreciate that the Company has not done this before, and so I will explain the impact on the operation of the AGM and the voting process in some detail.

1. Before the AGM

In the usual way we ask and encourage shareholders to vote for the AGM resolutions by appointing the Chairman as a shareholder's proxy. Accordingly, shareholders are encouraged to vote their shares electronically at www.signalshares.com. On the home page, search “Cobra Resources plc” and then register or log in, using your Investor Code. To vote at the AGM, click on the “Vote Online Now” button by not later than 9.30 am on Monday 28 June 2021 (or 48 hours (excluding weekends and public holidays) before the time appointed for any adjournment of it). Electronic votes and proxy votes should be submitted as early as possible and in any event, to be received by no later than 9.30 am on Monday 28 June 2021.

Any power of attorney or other authority under which the proxy is submitted must be sent to the Company by emailing it to info@cobraplc.com or sending it to (Link Group, PXS1, 10th Floor, Central Square, 29 Wellington Street, Leeds LS1 4DL) so as to have been received by the Company's Registrars by not later than 9.30 am on 28 June 2021 (or 48 hours (excluding weekends and public holidays) before the time appointed for any adjournment of it).

In accordance with our articles of association all of the voting at the meeting will be conducted on a poll and there will be no show of hands. This means that your votes will all be counted for all the shares that you have.

Please remember to submit any questions in advance in accordance with the instructions on pages 4 and 13 by email to info@cobraplc.com with the subject line “AGM Question”.

If you wish to appoint a corporate representative, please contact the Registrar in the usual way.

2. On the Day of the Meeting

The meeting takes place at 9:30 a.m. on 30 June 2021.

To join the meeting type (or paste) the following web address into your web browser:
<https://mmitc.webex.com/mmitc/onstage/g.php?MTID=e75995de5483beedca09a2ef62f4256da>

You will be asked to enter a password to gain access to the meeting. This code can be found on the letter notifying you about the holding of the AGM. Please keep this safe, if you have lost the password, or need help, email info@cobraplc.com.

When the meeting opens at the appointed time, you will be able to see and hear the Chairman. The Chairman will open the meeting and address any questions that have been submitted in advance. There will then be a short opportunity to put any additional questions. Shareholders should indicate if they would like to ask a question using the electronic “raise your hand” feature or by typing their question into the Q&A box in the meeting. All attendees will remain muted by the host unless and until they are invited to ask a question.

The Chairman will then formally put the resolutions to the meeting and advise of the proxy votes received in advance.

The meeting will then formally close.

Shareholders will have the option to download and submit an electronic poll card to record their vote. **If you (a) have already submitted a proxy instruction and do not wish to change your vote; or (b) do not wish to vote, you do not need to download or submit the poll card.**

The voting facility will switch off 30 minutes after the close of the meeting.

The results of the meeting will be announced by RNS and posted to the Company's website www.cobraplc.com on the day of the meeting. The full poll results will also be published on this website at the same time. The business of the AGM comprises resolutions (each, a "**Resolution**" and together, the "**Resolutions**") that public companies regularly bring to shareholders.

We ask for authority each year from you to allot shares in certain circumstances, sometimes without first offering those ordinary shares of nominal value 1p each in the capital of the Company ("**Ordinary Shares**") to existing shareholders ("**Shareholders**"). We wish to continue to comply with the spirit of institutional guidelines but maintain maximum flexibility as explained in the notes to the relevant Resolutions.

The Board is recommending that Shareholders support all the Resolutions before the AGM by returning your proxy vote at www.signalshares.com

You are entitled to request a hard copy form of proxy directly from the Company by emailing info@cobraplc.com. However, online voting is quicker and more secure than paper voting, and saves Cobra time and resources in processing the votes. If you have not already done so, I urge you to visit the Registrar's investor relations web pages at www.signalshares.com and provide an email address for communications with the Company.

Your votes do matter. Information about how to vote at the AGM is given on pages 12 - 13 of this notice. If you cannot attend the meeting, please vote your shares by appointing a proxy.

I look forward to hearing from you at the AGM.

Greg Hancock
Chairman

Notes to Resolution 6

Reappointment of auditor and fixing of auditors' remuneration

At each general meeting at which the accounts are laid before the members, the Company is required to appoint an auditor to serve until the next such meeting. It is proposed that PKF Littlejohn LLP be reappointed as the Company's auditor.

Notes to Resolutions 7, 8 and 9

Directors' authority to allot shares

Resolutions 7, 8 and 9 seek limited authority from Shareholders for the Company to allot shares, and limited authority to allot shares in particular circumstances without first offering them to existing Shareholders. They enable the Company to raise capital quickly and easily when needed, and permit it to allot shares as consideration in a transaction.

It has been Cobra's approach to seek authority to allot shares at its AGM in order to allow as much flexibility as possible in the interests of the Company and its Shareholders as a whole.

Authority to allot – Resolution 7

The Investment Association share capital management guidelines (the "IA Guidelines") confirm that an authority to allot up to two-thirds of the existing issued share capital continues to be regarded as routine.

The directors of the Company are seeking authority to allot shares of up to a maximum nominal amount of £2,230,134. This is the 'Section 551 Amount' referred to in the Company's Articles and is equal to 66.6% (i.e. two-thirds) of the Company's issued share capital of Ordinary Shares. In accordance with the IA Guidelines, one half of this Section 551 Amount, that is 33.3% (i.e. one-third) of the Company's issued ordinary share capital, (excluding treasury shares), can only be used if the relevant securities are equity securities and are offered in connection with a rights issue or other pre-emptive issues of equity shares which satisfies the conditions and may be subject to all or any of the exclusions specified in (b)(i) of Resolution 8.

For information, as at 7 June 2021, the Company held no treasury shares. The authority conferred pursuant to Resolution 7 will expire on the date of the AGM in 2022 or 15 months after the passing of Resolution 7 at the AGM, whichever is the earlier.

The directors have no current intention of issuing shares other than in relation to the Company's employee share schemes.

Disapplication of pre-emption rights – Resolution 8

Section 561 of the 2006 Act contains pre-emption rights that require all equity shares which it is proposed to allot for cash to be offered to existing Shareholders in proportion to existing shareholdings, unless a special resolution is passed to disapply such rights. Such rights do not apply to an issue otherwise than for cash, such as an issue in consideration of an acquisition. Subject to the passing of Resolution 7 and as noted therein, the proposed Resolution provides for the dis-application of statutory pre-emption rights for allotments of equity securities for cash, but limits this authority to the allotment of equity securities up to an aggregate nominal value of £1,115,067 (representing approximately one third of the Company's share capital), provided that all allotments must be in the form of rights issues, open offers or other pre-emptive issues.

Further, the directors believe that the statutory requirements are too restrictive and, it is proposed that, subject to the passing of Resolution 7, the directors should be able to allot shares for cash otherwise than pursuant to rights issues, open offers or other pre-emptive issues etc. amounting to no more than an aggregate nominal amount of £669,047 representing approximately 20 per cent. of the Company's share capital. The broadening of the proposed Resolution to include pre-emptive issues other than rights issues is a departure from the strict wording of the IA Guidelines which is limited to rights issues, which the directors regard as too restrictive. The above departures in Resolutions 7 and 8 from the strict wording of the IA Guidelines should not be taken to indicate that they are being disregarded, but rather that the proposed Resolutions are designed to provide greater flexibility for the directors to determine the form of any future pre-emptive issues in the light of market conditions and practice, at the time such an issue may be proposed.

Authorisation for the Company to purchase its own shares – Resolution 9

This Resolution seeks for the Company to purchase up to 10 per cent. of its issued Ordinary Shares (excluding any treasury shares).

The directors will exercise this authority only when to do so would be in the best interests of the Company and of its Shareholders generally and when such exercise could be expected to result in an increase in the earnings per share of the Company.

Ordinary Shares purchased by the Company pursuant to this authority may be held in treasury or may be cancelled. The directors will consider holding any Ordinary Shares the Company may purchase as treasury shares. The Company currently has no Ordinary Shares in treasury. The minimum price, exclusive of expenses, which may be paid for an Ordinary Share is 1 pence. The maximum price, exclusive of expenses, which may be paid for an Ordinary Share is the highest of (i) an amount equal to 5 per cent. above the average market value for an Ordinary Share for the five business days immediately preceding the date of the purchase and (ii) the higher of the price of the last independent trade and the highest current independent bid on the trading venues where the purchase is carried out at the relevant time.

As at 7 June 2021, the Company had options over 143,469,227 Ordinary Shares outstanding, representing 42.9 per cent. of the Company's issued Ordinary Share capital as at that date and 47.7 per cent. of the Company's issued Ordinary Share capital if the full authority to buy back Ordinary Shares being sought is granted and used and that all Ordinary Shares so bought back are cancelled and not held in treasury and re-issued.

The authority will expire at the earlier of 15 months after the passing of this Resolution and the conclusion of the AGM of the Company held in 2022.

Shareholder notes

Voting

When is my voting entitlement fixed?

To attend, speak and vote at the meeting you must be a registered holder of shares at close of business on 28 June 2021. Your voting entitlement will depend on the number of shares you hold at that time.

I can't attend the remote meeting but want to vote – what can I do?

If you are a registered holder and cannot attend, you can appoint the chairman or any other person to attend, speak and vote on your behalf. This person is called your proxy. Your proxy does not have to be a Shareholder.

You can instruct your proxy how to vote. Where no specific instruction is given, your proxy may vote at his or her discretion or refrain from voting, as he or she sees fit.

You can appoint more than one proxy in relation to different shares within your holding.

You can appoint a proxy and submit voting instructions:

- Via CREST (see note opposite).
- By casting your proxy online at www.signalshares.com.
- By completing and returning the paper proxy card if you have requested from the Company. Please read the instructions carefully to ensure you have completed and signed the card correctly. Any alterations must be initialed.

Proxies not properly notified may be denied access to the meeting.

If you own shares jointly, any one Shareholder may sign the proxy card. If more than one joint holder submits a card, the instruction given by the first listed on the Shareholder register will prevail.

In the light of the Coronavirus pandemic, shareholders are encouraged to vote by proxy. The AGM will commence at 9:30 a.m. on 30 June 2021. In order to safeguard the health of shareholders, the AGM will be an exclusively electronic meeting and will be conducted in accordance with the provisions for electronic meetings set out in the Company's articles of association.

By when do I have to submit my vote?

Proxy appointments and voting instructions, including any amendments, must be received by the Registrar or the Company by 9:30 a.m. on 28 June 2021.

If you miss this deadline and wish to submit a new vote or amend an existing vote, you can only do so by attending the meeting in person and voting.

I already voted but have changed my mind – can I change my vote?

You can submit a new instruction online at any time before the time and date above. If you wish to amend a paper instruction you must do so in writing and sign your new instruction.

The voting instruction received last will be the one that is followed. If a postal instruction and an online instruction are received on the same day, the online instruction will be followed.

I hold shares on behalf of several others – can I vote part of the holding separately?

You can appoint more than one proxy using the paper proxy form or online at www.signalshares.com provided it is in relation to different shares.

Corporate Shareholders may either appoint one or more proxies, or alternatively appoint one or more corporate representatives in relation to different shares, using the paper proxy form or online at www.signalshares.com or via CREST.

Multiple proxies and corporate representatives may all attend and speak at the meeting and may vote the shares that their respective appointments represent in different ways.

I am a CREST member – can I use the CREST system to vote?

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment by using the procedures described in the CREST manual (www.euroclear.com/crest). CREST personal members or other CREST-sponsored members and those CREST members who have appointed a voting service provider should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST proxy instruction) must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST manual. All messages relating to the appointment of a proxy or an instruction to a previously appointed proxy must be transmitted so as to be received by the Registrar (ID RA10) by 9:30 a.m. on 28 June 2021. It is the responsibility of the CREST member concerned to take such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers, are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings. The Company may treat a CREST proxy instruction as invalid in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

I have a power of attorney from a Shareholder – how can I vote?

You can vote using the paper proxy card only. You must ensure that the power of attorney and the proxy card have been deposited with the Company by 9:30 a.m. on 28 June 2021 by emailing them to info@cobraplc.com.

The chairman will announce when you will have an opportunity to ask questions. If you wish to ask a question, please use the electronic "raise your hand" facility or type your question into the Q&A box in the meeting. You will be kept on mute by the meeting host unless and until you are invited to speak.

Please endeavour to keep your questions short.

How can I vote at the meeting?

As shareholders exit the remote meeting, they will have the option to submit an electronic poll card to record their vote. If you (a) have already submitted a proxy instruction and do not wish to change your vote, or (b) do not wish to vote, you can click on the button to skip this step.

The voting facility will close 30 minutes after the meeting ends.

How are the votes counted?

Voting on all Resolutions is by a poll. In a Company such as ours, we think poll voting is the fairest approach. There will be no voting on the Resolutions by a show of hands.

We have included a 'vote withheld' option on our proxy and poll cards. A vote withheld is not a vote in law and will not be counted in calculation of the proportion of votes 'for' or 'against' a Resolution.

How can I find out the result of the vote?

It is expected that the total of the votes cast by Shareholders 'for' or 'against' or 'withheld' on each Resolution will be published on www.cobraplc.com by midday on 30 June 2020.

A copy of this notice and other information required by section 311A of the 2006 Act can be found at www.cobraplc.com

All voting at the AGM will be held on a poll.

Information rights

Under the 2006 Act, there are a number of rights that may now be available to indirect investors of Cobra, including the right to be nominated by the registered holder to receive general Shareholder communications direct from the Company.

The rights of indirect investors who have been nominated to receive communications from the Company in accordance with Section 146 of the Act ("**nominated persons**") do not include the right to appoint a proxy. However, nominated persons may have a right under an agreement with the registered Shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.

If you have been so nominated to receive general Shareholder communications direct from Cobra, it is important to remember that your main contact in terms of your investment remains with the registered Shareholder or custodian or broker, or whoever administers the investment on your behalf. You should also deal with them in relation to any rights that you may have under agreements with them to be appointed as a proxy and to attend, participate in, and vote at the meeting, as described above.

Any changes or queries relating to your personal details and holding (including any administration thereof) must continue to be directed to your existing contact at your investment manager or custodian. The Company cannot guarantee dealing with matters that are directed to us in error. The only exception to this is where Cobra is exercising one of its powers under the 2006 Act and writes to you directly for a response.

Statements related to the audit

Members satisfying the thresholds in Section 527 of the Act can require the Company to publish a statement on its website setting out any matter relating to;

- a. the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the meeting;
- b. any circumstances connected with an auditor of the Company ceasing to hold office since the last AGM, that the members propose to raise at the meeting.

The Company cannot require the members requesting the publication to pay its expenses in connection with the publication. The Company must forward a copy of the statement to the auditors when it publishes the statement on the website. The business which may be dealt with at the meeting includes any such statement that the Company has been required to publish on its website.

Shareholder requisition rights

Members satisfying the thresholds in sections 338 and 338A of the 2006 Act can require the Company:

- a. to give, to members of the Company entitled to receive notice of the AGM, notice of a resolution which may properly be moved, and which those members intend to move, at the meeting; and
- b. to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may properly be included in the business at the meeting, provided in each case that the requirements of those sections are met and provided that the request is received by the Company not later than six clear weeks before the meeting or if later the time at which notice is given of the meeting.
