Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of the Grupa Azoty Group, whose parent is Grupa Azoty S.A. (the "Parent"), with its registered office at ul. Kwiatkowskiego 8, Tarnów, Poland, comprising the interim condensed consolidated statement of financial position as at June 30th 2023, interim condensed consolidated statement of comprehensive income for the period January 1st-June 30th 2023, interim condensed consolidated statement of changes in equity for the period January 1st-June 30th 2023, interim condensed consolidated statement of cash flows for the period January 1st-June 30th 2023, as well as accounting policies and notes to the financial statements (the "interim condensed consolidated financial statements").

Management of the Parent is responsible for the preparation and presentation of the interim condensed consolidated financial statements in accordance with International Accounting Standard 34 *Interim Financial Reporting*, published in the form of a European Commission regulation.

Our responsibility was to express a conclusion on the interim condensed consolidated financial statements based on our review.

Scope of the review

We conducted our review in accordance with National Review Standard 2410 compliant with International Standard on Review Engagements 2410 *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*, as adopted by resolution of the National Council of Statutory Auditors.

A review of financial statements consists of making inquiries, primarily of persons responsible for the entity's financial and accounting matters, and applying analytical and other review procedures.

A review is substantially less in scope than an audit conducted in accordance with National Standards on Auditing compliant with International Standards on Auditing. Consequently, a review does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion on the interim condensed consolidated financial statements.
