

**Metalcorp Group: Relocation of registered office from Amsterdam to Luxembourg effective 1 November 2018**

Luxembourg, 1 November 2018 – Metalcorp Group, a globally operating provider of procurement, logistics and trade services in the ferrous and non-ferrous sectors as well as one of Europe's leading independent producers of secondary aluminium slabs, has moved its headquarters from Amsterdam to Luxembourg on 1 November 2018, as announced, in order to simplify its corporate structure and reduce administrative costs. In this context, the company now operates under the name Metalcorp Group S.A. with the address 8, Rue Dicks, L-1417 Luxembourg, Grand Duchy of Luxembourg.

**About Metalcorp Group S.A.:**

Metalcorp Group is a globally operating provider of procurement, logistics and trade services in the ferrous and non-ferrous sectors as well as one of Europe's leading independent producers of secondary aluminium ingots. Its core competence in all segments are so-called back-to-back transactions requiring no stock-keeping, which make the Group's operations largely immune to price risks and neutralise other trading risks. With its subsidiaries and own offices the Group operates in 18 countries around the world and has four production facilities in Europe. The 2017/2022 bond (ISIN: DE000A19MDV0) is traded on the Open Market of Deutsche Börse AG ("Freiverkehr" of the Frankfurt Stock Exchange), while the 2017/2022 bond (ISIN: NO0010795701) is traded on the Oslo Stock Exchange.
