

Press release

SES - publication as required by article 13 of the law of 11 January 2008 on transparency requirements for Issuers

Luxembourg, 17 December 2024 – For the purpose of the publication required by article 13 of the law of 11 January 2008 on transparency requirements for Issuers, following the purchase of outstanding 5.5 million B-shares on 10 December 2024 within the share buyback program, SES now directly and indirectly holds 7.15% of the voting rights in SES. Such voting rights are however not exercised. The shares acquired will be cancelled after the expiry of one year, which will reduce the total number of voting and economic shares in issue.

About SES

SES has a bold vision to deliver amazing experiences everywhere on Earth by distributing the highest quality video content and providing seamless data connectivity services around the world. As a provider of global content and connectivity solutions, SES owns and operates a geosynchronous orbit fleet and medium earth orbit (GEO-MEO) constellation of satellites, offering a combination of global coverage and high-performance services. By using its intelligent, cloud-enabled network, SES delivers high-quality connectivity solutions anywhere on land, at sea or in the air, and is a trusted partner to telecommunications companies, mobile network operators, governments, connectivity and cloud service providers, broadcasters, video platform operators and content owners around the world. The company is headquartered in Luxembourg and listed on Paris and Luxembourg stock exchanges (Ticker: SESG). Further information is available at: www.ses.com
