Steady solid revenue growth on y/y while the cost pressure were persistent.. Diminishing costs on q/q resulted in slightly better operating margins..

Robust revenue growth of 89% y/y driven by price increases & TRY depreciation. On a quarterly basis, the revenue growth was 6%.

Sell-out and sell-in were weak in Turkey, while contraction in consumer demand accelerated in both West & East Europe.

Improved OPEX/Sales ratio resulted in 125 bps EBITDA margin expansion, despite having contracted gross margin on a quarterly basis mainly as a result of further declining EURUSD parity.

Net Working Capital/Sales was 26.3% thanks to strong collection.

Leverage was 2.68x, down by 0.47x compared to 2Q22 thanks to cash generation in the quarter. Excluding the impact of share buyback as of September, 2022 (0.29x impact), the leverage would be 2.38x.

Beko captured the market leadership position in Europe in 8M22 with an increased market share.

**TV market reflects the data of a retail panel market for 8M22 period in unit terms on a cumulative basis.

y/y market unit growth

MDA6 Market

- Slowdown in consumer demand in Western Europe market accelerated in July & August mainly due to inflationary environment and changing consumer spending priorities.
- In Germany, Great Britain and France, consumer demand fell by double-digits on a yearly basis in both July and August.
- Despite having been contracted in unit terms, market remained flattish in 8M22 y/y in value terms, reflecting price increases and higher share of premium segment sales.

Arçelik in Western Europe

- 14% y/y revenue contraction in EUR terms mainly due to lower units.
- Beko maintained leadership in the U.K.

MDA6 Market

- Consumer demand continued to contract significantly in July and August in Eastern Europe as it was accelerated in the major countries compared to previous months.
- Market grew significantly in value terms in July & August period on a cumulative basis thanks mainly to strong price increases in the market.

Arçelik in Eastern Europe

- 35% y/y revenue growth in EUR terms thanks mainly to price increases and inorganic revenue contribution from recent acquisition. Organically, revenue growth was 30%.
- Arctic & Beko brands continued to hold the first and second position respectively in Romania in 8M22.

y/y market unit growth

MDA6 market charts show the growth of sell-out demand in the countries and the regions in both 6M22 and 8M22 y/y and reflect the data of a retail panel market.

Eastern European MDA6 market chart excludes Ukraine's figures.

Russia's share in Arçelik's total revenue in 9M22 was 3.5% (9M21: 1.9%). Ukraine's share in total revenue in 9M22 was 0.6% (9M21: 0.4%).

Africa & Middle East

- Revenues from Africa & Middle East increased by c.48% y/y in 3Q22 in EUR terms thanks to significantly higher contribution of Middle East operations.
- Defy's domestic unit sales were flattish in the third quarter compared to a year ago while delivering mid single digit growth on a quarterly basis. Export units were down by mid-to-high single digit on a yearly basis and grew at low-teens on a quarterly basis.
- Defy's revenue increased by c.16% in both EUR & ZAR terms y/y in 3Q22 mainly thanks to price increases and grew by c.11% in EUR terms q/q due to higher units and price increases.
- Defy increased its market share significantly as of August y/y in South Africa and maintained its strong leadership in a declining demand environment.
- Beko Egypt registered c.48% y/y revenue growth in EUR terms thanks mainly to increased dishwasher and air conditioner units and price increases while on a quarterly basis, revenue fell by c.15% in EUR terms mainly due to the import regulation imposed by the government.

Asia-Pacific

- Revenues from APAC were down by c.2% in EUR terms in 3Q22 y/y.
- In Pakistan, mainly due to the flood disaster in the country, units were contracted significantly on a quarterly basis. Thus, net sales were down by c.48% q/q in PKR terms (52% in EUR terms). On a yearly basis, thanks to price increases, net sales were increased by c.9% in PKR terms while due to PKR depreciation, net sales were contracted by c.7% in EUR terms.
- In Bangladesh, net sales were increased by c.13% in BDT terms in 3Q22 y/y driven by higher A/C, washing machine and SDA unit sales and price increases.

- FX hedging is a strictly pursued policy in Arçelik since more than 30 currencies are actively managed in global operations.
- It is a KPI for the company management not to have a FX exposure exceeding low single-digit % of equity.

TRYm	Before Hedge	Hedged Position	Net Position
EUR	(8,962)	8,830	(133)
USD	(4,306)	5,047	742
GBP	1,553	(1,384)	169
Other	(3,443)	3,385	(54)
TOTAL	(15,158)	15,882	724
Net FX Position / Equity			2,9%

- The primary strategy on balance sheet hedging mainly through cash, receivables, payables and financial liabilities, and the remaining part is hedged through financial derivatives.
