amount, TL 175,234,415.87 has been contributed through various foundations or organizations to the earthquake-stricken region, TL 10,222,615.00 to the Vehbi Koç Foundation, and TL 4,357,926.00 to Koç University. The remaining balance consists of various donations made to various institutions and organizations, each below TL 1,000,000, which are not of significant importance for investors.

Furthermore, upper limits for donations to be made in 2024, shall be set by the General Assembly.

13. Informing the Shareholders about the collaterals, pledges, mortgages and surety granted in favour of third parties and the income and benefits obtained in 2023 by the Company and subsidiaries in accordance with Capital Markets Board regulations,

Pursuant to Article 12 of the Capital Markets Board Corporate Governance Communiqué No. II-17.1, income or benefits derived by our Company and its subsidiaries from collaterals, pledges, mortgages and sureties against third parties must be stipulated in a separate article of the agenda of the General Assembly. This is indicated in footnote No. 17 of our financial statements dated 31 December 2023.

14. Authorising the Shareholders holding management capacity, the Members of the Board of Directors, top managers and their spouses and relatives by blood and marriage up to the second degree within the framework of the articles 395th and 396th of Turkish Commercial Code and informing shareholders about transactions performed within the scope during 2023 as per the Corporate Governance Communiqué of Capital Markets Board,

The members of the Board of Directors can do business as stipulated in the first subsection of Articles 395 and 396 of the TCC entitled Competition Ban and Ban on doing Business with the Company and Borrowing from the Company only with the approval of the General Assembly.

Pursuant to the Capital Markets Board mandatory Corporate Governance Principle No. 1.3.6, the General Assembly shall be informed in the event that shareholders having managerial control, board members, senior management and their relatives up to the second degree of blood or affinity engaged in a significant business transaction creating a conflict of interest with the Company or its subsidiaries, competed with the company in the same line of business on their own behalf or on the behalf of others, or was involved in the same business as that of the Company as unlimited partner in another company. Information about said transactions must be included as a separate item on the agenda and recorded into the minutes of the General Assembly.

In order to fulfil requirements set forth by these regulations, giving said permission, shall be presented for approval of our shareholders at the General Assembly. Furthermore, our shareholders shall be informed regarding transactions made in this nature during the year, and some of the shareholders who have control of the management, members of the board of directors, managers who have administrative

responsibility and their spouse and relatives, up to second degree, by blood and by marriage; serve as member of the board of directors, at some other Koç Group companies, including those which have similar field of operations, with our Company. In 2023, there has not been any significant transaction which requires providing information within the scope of the principle number 1.3.6 of the Communiqué on Corporate Governance.

15. Providing shareholders with information about the activities carried out in 2023 as part of the company's transition plan to a low-carbon economy.

Arçelik continues to take actions to reduce greenhouse gas emissions as part of its efforts to combat climate change. In this context, Arçelik submitted its new target, in line with the Arçelik Net Zero Commitment, for approval by the Science Based Targets initiative (SBTi) at the end of January. As part of its reduction goals, Arçelik continues to invest in existing renewable energy projects. A significant development in reporting is the official publication of the Turkish Sustainability Reporting Standards (TSRS) in the official gazette, making it mandatory starting from the 2024 reports. In Arçelik's 2023 Annual Report, compliance with this standard was voluntarily declared a year before the obligation came into effect.

Informing shareholders about Arçelik's transition actions towards a low-carbon economy is crucial for all stakeholders. Therefore, shareholders will be briefed on targets and progress during the General Assembly meeting.

16. Wishes and Opinions.

APPENDIX/1 Board of Directors' Proposal for the Profit Distribution for 2023

Our Board of Directors made the following decision on the March 8, 2024;

In accordance with the Capital Markets Board's (CMB) Communiqué on Principles Regarding Financial Reporting in the Capital Markets (Communiqué II-14.1) and the Principle Decision on Inflation Accounting Practices dated December 28, 2023, our company's consolidated financial statements for the fiscal period 01.01.2023-31.12.2023, which were prepared in accordance with the Turkish Financial Reporting Standards (TFRS) and the formats determined by the CMB, and independently audited by PwC Bağımsız Denetim ve Serbest Muhasebeci Mali Müşavirlik A.Ş., reveal a Consolidated Net Income of TL 8,395,410,118.44, a Net Income attributable to the parent company of 7,667,335,809.37 TL, and an additional TL 246,597,741.96 donation, calculated based on the purchasing power as of December 31, 2023. The total of these amounts, TL 7,919,933,551.33, forms the first dividend base. In accordance with the Tax Procedure Law (VUK) records, the post-tax net income is TL 9,283,212,750.33 (following the inflation adjustment of the balance sheet as of December 31, 2023, tracked under the Prior Years Profits account). Decisions made regarding the 2023 fiscal year include:

a) The 5 % portion of legal reserves which has to be allocated according to Turkish Commercial Code Article 519, will not be allocated for 2023 since legal reserves amount as of 31.12.2023 according to Tax Procedure Law reached 20% of the capital.

b) According to Capital Markets regulation and Article 18 of the Company's Articles of Association, and the Dividend Distribution policy approved at the General Assembly on March 27, 2014, considering the current economic conditions and takes into account the company's investment and financing policies, aiming to increase free cash and strengthen liquidity, optimize financial expenses, and further solidify the balance sheet structure, we propose not to distribute dividend this year,

c) Leaving the amount of 9,283,212,750.33 TL, calculated according to VUK records, in the Prior Year Profits account due to the inflation adjustment of the current year's profit; transferring the net income of 7,667,335,809.37 TL in the financial statements prepared in accordance with TAS/TFRS principles to the Prior Years Profits.

These matters will be presented to our shareholders for approval at the Ordinary General Assembly meeting scheduled to be held in April to discuss the results of the company's activities in 2023.

APPENDIX/3 Remuneration Policy for Board Members and Top Level Executives

This Policy document defines the remuneration system and practices for senior executives consisting of Chairman and Members of the Board of Directors, General Manager, Assistant General Managers and Directors directly reporting to the General Manager.

In accordance with the Turkish Commercial Code and Article 12 of the Arçelik Articles of Association, a fixed fee is determined each year at the ordinary general assembly meeting, valid for all members of the board of directors, for their membership function in the board of directors. A payment shall be made to board member having executive powers within the scope of the policy whose details are indicated below and which is determined concerning senior executives.

It is possible to offer a separate benefit apart from the fixed rate determined by the general assembly, upon approval from the Corporate Management Committee, for those members who have been assigned to manage certain functions with the aim of contributing to the company's operations, due to the function they take on other than being board member. Coordinating between the board of directors and the administrative structure, Chairman and Members of Executive Committee who will give effective support to Company's Board of Directors in all respects concerning the company operation may be provided benefits in the amount determined by board of director by considering the contribution they make, their participations in meetings and their functions, and within the framework of opinion of Corporate Governance Committee. If payment is made to Executive Committee members within this scope during the year, this payment amount shall be deducted from the amount determined at the end of the year. For the wages of the independent board members, payment plans of the Company based on performance may not be used. All expenses (such as transportation, telephone, insurance expenses etc.) incurred by Board Members due to the contributions they provide may be covered by the company.

Senior Executive wages comprise of two components - fixed and performance-based. Salary and side benefits management within the scope of the remuneration policy is determined and implemented as fair, objective, appreciating high performance, competitive, rewarding and motivating.

Considering macroeconomic data in market; wage policy applicable in the market; company size; long term targets and individuals' positions, Senior Executive fixed wages are determined in accordance with international standards and legal obligations.

With the remuneration policy, it is aimed to increase the motivation and loyalty of the employees and to recruit qualified employees who will ensure the achievement of the Company's strategic business goals, taking into account the internal wage balances and competitiveness in the market.

Senior executive bonuses, on the other hand, are calculated according to the bonus base, company and individual performance, which will support the realization and exceeding of the company's business goals, and encourage superior performance by rewarding sustainable success. Information with respect to criteria are summarized below:

- **Premium/ Bonus Basis:** Premium Bases are updated at every year beginning and vary according to the work magnitude of the executives' positions. Top management policies in the market are considered when updating premium bases.

- **Corporate Performance:** Company Performance is calculated through measuring financial and operational (market share, exportation, foreign operations, productivity etc.) objectives given to the company at every year beginning, at the end of the period.
