Update - Monday, March 2, 2015

RGTIL experts contain fire

This is to inform that early morning today, a fire was noticed in a section of the RGTIL pipeline in Maddikunta near Sadasivapet (earlier reported near Zaheerabad) in remote Telangana.

Our experts immediately reached the War Room as well as the site of fire.

There was no injury or loss of life.

The fire has been controlled by safely evacuating and cordoning off that section of pipeline.

After an internal investigation, normal gas flow to the downstream customers will be resumed.

Reduction or interruption of gas flow to the downstream customers is expected to last for a period of about 24 to 48 hrs.

All concerned authorities and affected customers have been informed.
