CRISIL Limited: Unaudited Financial Results for the quarter ended September 30, 2014

The Board of Directors of CRISIL Limited, at its meeting today, approved the unaudited financial results for the quarter ended September 30, 2014.

Consolidated income from operations increased 9.5 per cent to Rs. 313.52 crore compared with Rs. 286.40 crore in the corresponding quarter of the previous year. Profit from operations before other income was Rs. 83.49 crore as against Rs. 84.41 crore in the corresponding quarter of the previous year. Consolidated net profit after tax was Rs. 71.11 crore as against Rs. 73.26 crore (excluding exceptional items) for the previous corresponding quarter. Net profit after tax for the quarter ended September 30, 2014 was marginally lower compared to corresponding quarter of the previous year mainly on account of adverse foreign exchange impact.

For the nine months ended September 30, 2014, consolidated income from operations increased 14.9 per cent to Rs. 927.88 crore from Rs. 807.24 crore for the corresponding period of the previous year. Profit from operations before other income was Rs. 257.27 crore as against Rs. 221.77 crore in the corresponding period of the previous year. Consolidated profit after tax for the nine months ended September 30, 2014, increased 7.8 percent to Rs. 197.65 crore, from Rs. 183.35 crore (excluding exceptional items) for the corresponding previous period. During the nine months ended September 30, 2014 the company witnessed strong growth in Financial Research (GR&A), Risk and Analytics (GR&A), Coalition and Bank Loan Ratings.

The Board of Directors has declared payment of a third interim dividend of Rs. 4 per share of Re. 1 face value for the financial year ending December 31, 2014.

During the quarter, within Ratings, Bank Loan Ratings witnessed good growth. Capital market activity was muted. The overall business environment, however, is improving with initial signs of an uptick in investment demand. The measures announced by the government to boost infrastructure investments and innovative funding structures are likely to provide renewed impetus for growth in the coming quarters.

The Global Research and Analytics (GR&A) business grew strongly during the quarter with new client additions in the areas of model validation, stress testing and financial research.

The investment slowdown and volatile capital markets have impacted the India research business. We continue to closely engage with our customers to provide added value to them.

CRISIL Risk and Infrastructure Solutions Limited (CRIS), a wholly owned subsidiary of CRISIL Limited, maintained growth momentum. For Infrastructure Advisory, business growth has come from geographical diversification through increased focus on the Middle East and Africa. The order book for the new products of CRISIL Risk Solutions – Early Warning System (EWS) and Credit Processing System (CPS) is building up strongly.

We have reviewed the accompanying statement of unaudited financial results of CRISIL Limited ('the Company') for the quarter ended September 30, 2014 (the "Statement"), except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been reviewed by us. This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with recognition and measurement principles laid down in Accounting Standard 25 "Interim Financial Reporting", notified under the Companies Act, 1956 read with General Circular 8/2014 dated 4 April 2014, issued by the Ministry of Corporate Affairs, in respect of Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
