We refer to your email dated 28.10.2014 seeking our clarification on a News appearing in "Financial Chronicle" dated October 28, 2014 titled, "JSW Steel to add 6 mtpa steel capacity at Bellary Plant".

As a long term strategy, JSW Steel would like to expand its steel capacity to 40 MTPA by 2025 by means of brownfield and greenfield expansions and also through acquisitions. However, we have not yet decided to expand our capacity at our Bellary Plant by 6 MPTA as of now.
