

FORD OTOMOTİV SANAYİ A.Ş.

ATTACHMENT OF BOARD OF DIRECTORS' RESOLUTION 2023/06

FORD OTOMOTİV SANAYİ A.Ş.
REPORT ON ASSOCIATED PARTY TRANSACTIONS WHICH
WERE PERFORMED IN 2022 AND PROJECTED
TO BE PERFORMED IN 2023

General Information

This report is created as per Article 10 of Communiqué Vol: II. 17.1 (Communiqué). Article 10 of Communiqué Vol: II. 17.1 requires that, the Board of Directors of the Company should create a report which includes the total amount of continuous transactions between the company quoted on Borsa Istanbul and the affiliated parties, in which

- a) the rate of purchases to cost of sales based on the final annual financial statements in purchasing transactions,
- b) the rate of sales to revenues based on the final annual financial statements in sales transactions

exceeds 10% and this report including the market comparisons for such transactions should be announced via KAP.

The purpose of this report is to disclose the terms of projected transactions in 2023 between Ford Otomotiv Sanayi A.Ş. (Company) and the associated parties as defined by Turkish Accounting Standards Article 24 (TAS 24) within the scope of CMB regulations to the extent that they are not commercial secrets and show that any such transaction does not have a negative effect on the Company as compared to the market conditions.

Detailed information is provided on transactions between Ford Otomotiv Sanayi A.Ş. (Company) and the associated parties in 2022 in footnote 26 of publicly-disclosed financial tables for 2022 activities and this report only evaluates vehicle, production part, spare part, licence and service purchases from and sales to Ford Motor Company which exceed 10% as compared to market conditions.

It is estimated that the transactions of same qualifications will exceed the 10% limit as specified by the Communiqué in 2023 and the transactions will be performed based on the principles explained in this report.
