Subject: Clarification for Financial Results – JASH

Ref.: NSE/LIST/FR/6557 dated 30th May 2018

Dear Sir/ Madam,

This is with reference to clarification sought on 30.5.2018, we respectfully submit reply as below:

1. No Segment Reporting :

At the outset, we would like to clarify that we have complied with the requirements of Accounting Standard (AS) - 17, Segment Reporting, as per the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

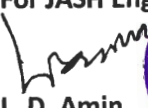

The business activities of the Group falls within a single primary business segment at standalone and consolidated level i.e. "Manufacturing and trading of varied engineering products for general engineering industry, water and waste water industry and bulk solids handling industry". There is no separate reportable business segment at either standalone or consolidated level.

JASH Engineering Limited, as a standalone entity, operates only in one principal geographical area i.e. India and therefore, there is no separate reportable secondary geographical segment at standalone level and hence the disclosures as such are not applicable.

As part of secondary reporting for geographical segments, the Group (at consolidated level) operates in two principal geographical areas i.e. in India, its home country, and other countries. Hence, the Company has complied with Para 48 of AS-17 in this regard and gave relevant disclosure's in Note 10 to the financial results for the period ended 31st March 2018."

You are requested to kindly take the same on record and acknowledge the receipt.

Thanking You,
Yours Faithfully,
For JASH Engineering Limited
