Once the instrument is issued, the above rating is valid (unless revised) throughout the life of the captioned commercial paper programme with a maximum maturity of one year.

As per our Rating Agreement, CRISIL would disseminate the rating through its publications and other media, and keep the rating under surveillance for the life of the instrument. CRISIL reserves the right to withdraw or revise the ratings assigned to the captioned instrument at any time, on the basis of new information, or unavailability of information or other circumstances, which CRISIL believes, may have an impact on the rating.
