Independent Auditor's limited review report on the unaudited quarterly standalone financial results of Grasim Industries Limited under Regulation 33 of the of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
Grasim Industries Limited**

1. We have reviewed the accompanying Statement of unaudited standalone financial results of Grasim Industries Limited ('the Company') for the quarter ended June 30, 2019 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Regulation') as amended, read with SEBI Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 ('the Circular').
2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India read with the Circular. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Attention is drawn to the fact that the figures for the 3 months ended March 31, 2019 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard specified under section 133 of the Companies Act, 2013, as amended, read with the relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Independent Auditor's limited review report on the unaudited quarterly consolidated financial results of Grasim Industries Limited under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
Grasim Industries Limited**

1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Grasim Industries Limited ('the Parent') and its subsidiaries (the Parent and its subsidiaries together referred to as 'the Group'), and its share of the net profit after tax and total comprehensive income of its associates and joint ventures for the quarter ended June 30, 2019 ('the Statement') attached herewith, being submitted by the Parent pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ('the Regulation'), read with SEBI Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 ('the Circular').
2. This Statement, which is the responsibility of the Parent's management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India read with the Circular. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, to the extent applicable.

4. Attention is drawn to the fact that the figures for the 3 months ended March 31, 2019 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

5. The Statement includes the results of the entities mentioned in Annexure I to the Statement.

6. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 8 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standard specified under section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.
7. The statutory auditors of UltraTech Cement Limited ('UltraTech'), a subsidiary Company, without modifying their conclusion on the unaudited consolidated financial results of UltraTech have drawn attention to note 5 to the Statement which describes the following matters:
- a. In terms of order dated August 31, 2016, the Competition Commission of India ('CCI') had imposed penalty of Rs. 1,175.49 crores for alleged contravention of the provision of the Competition Act, 2002 by UltraTech. UltraTech had filed an appeal against the CCI Order before the Competition Appellate Tribunal ('COMPAT'). Consequent to reconstitution of tribunals by the Government, this matter was transferred to the National Company Law Appellate Tribunals ('NCLAT'). NCLAT completed its hearing on the matter and disallowed the appeal filed by UltraTech against the CCI Order. Aggrieved by the order of the NCLAT, UltraTech has filed an appeal before the Honorable Supreme Court of India, which has granted a stay against the NCLAT order on the condition that UltraTech deposits 10% of the penalty amounting to Rs. 117.55 crores which has been deposited. Based on a legal opinion, UltraTech believes that it has a good case in this matter. Considering the uncertainty relating to the outcome of this matter, no provision has been considered by UltraTech in the books of account.
- b. In terms of order dated January 19, 2017, the CCI had imposed penalty of Rs. 68.30 crores pursuant to a reference filed by the Government of Haryana for alleged contravention of the provisions of the Competition Act, 2002 in August 2012 by UltraTech. UltraTech had filed an appeal before COMPAT and received the stay order dated April 10, 2017. Consequent to reconstitution of tribunals by the Government, this matter was transferred to the NCLAT for which hearing is pending. Based on a legal opinion, UltraTech believes that it has a good case in this matter. Considering the uncertainty relating to the outcome of this matter, no provision has been considered by UltraTech in the books of accounts.
- c. The statutory auditors of UltraTech Nathdwara Cement Limited ('UNCL'), a wholly owned subsidiary of UltraTech, without modifying their conclusion for the quarter ended June 30, 2019 have reported that UNCL had filed an appeal before the Competition Appellate Tribunal ('COMPAT') against the Order of the Competition Commission of India ('CCI') dated August 31, 2016. Consequent to reconstitution of Tribunal by the Government, this matter was transferred to the National Company Law Appellate Tribunal ('NCLAT'). NCLAT completed its hearing on the matter and disallowed the appeal filed by UNCL against the CCI order. Aggrieved by the order of NCLAT, the UNCL has filed an appeal before the Honorable Supreme Court of India, which has granted a stay vide its order dated January 18, 2019 against NCLAT order. Consequently, UNCL has deposited an amount of Rs.16.73 crores equivalent to 10% of the penalty amount. Based on the legal opinion taken by UltraTech in its own matter, UNCL believes that it has a good case in this matter. Considering the uncertainty relating to

the outcome of this matter, no provision has been considered in the books of accounts of UNCL.

Our conclusion is not modified in respect of the above matters.

8. The statutory auditors of Aditya Birla Capital Limited ('ABCL'), a subsidiary company, without modifying their conclusion on the unaudited consolidated financial results of ABCL have stated that:

a. Determination of the following as at and for the quarter ended June 30, 2019 is the responsibility of the ABCL's Appointed Actuary / Actuary chosen from the panel of Actuaries:

In their respective opinions, the assumptions for such valuation are in accordance with the guidelines and norms issued by the Insurance Regulatory and Development Authority of India (IRDAI) and the Institute of Actuaries of India in concurrence with the IRDAI. The charge of "Change in Valuation of Liability in Respect of Insurance Policies" includes charge for actuarial valuation of liabilities for life policies in force and charge for the policies in respect of which premium has been discontinued but liability exists as at June 30, 2019 and "Benefits Paid – Insurance Business" includes the estimate of IBNR and IBNER. These charges have been actuarially determined, based on the liabilities duly certified by the subsidiaries' Appointed Actuary / Actuary chosen from the panel of Actuaries; and

ii. Other adjustments for the purpose of preparation of the Statement, as confirmed by the Appointed Actuary of / Actuary chosen from the panel of Actuaries by subsidiaries in the Life Insurance and Health Insurance segments are in accordance with Indian Accounting Standard 104 on Insurance Contracts:

- a. Assessment of contractual liabilities based on classification of contracts into insurance contracts and investment contracts;
- b. Valuation and Classification of Deferred Acquisition Cost and Deferred Origination Fees on Investment Contracts;
- c. Grossing up and classification of the Reinsurance Assets; and

Grasim Industries Limited today announced its unaudited financial results for the quarter ended 30th June, 2019.

CONSOLIDATED FINANCIAL RESULTS

	Q1 FY20	Q1 FY19	YoY	Q4 FY19
Net Revenue	18,861	16,761	13% ↑	20,965
EBITDA	4,217	3,212	31% ↑	3,786
PBT (Before Exceptional item)	2,814	2,080	35% ↑	2,619

₹ Cr.

Consolidated revenue for the quarter stood at ₹18,861Cr. Consolidated EBITDA at ₹4,217 Cr. recorded a growth of 31% YoY and PBT (Before Exceptional item) was up by 35% YoY to ₹2,814 Cr. driven by excellent performance of the Company's subsidiaries, UltraTech Cement Limited and Aditya Birla Capital Limited.

At Standalone level, there has been volume growth in both VSF and Caustic Soda, however, profitability was impacted due to global softening in prices.

Viscose Business

The VSF business has posted good operating performance with production and sales volume of 140KT and 138KT respectively recording an increase of 4% and 5% YoY.

The Net Revenue for the quarter stood at ₹2,509 Cr. EBITDA for the quarter stood at ₹442 Cr. (up 7% on QoQ basis). Profitability was impacted on YoY basis as the Chinese VSF prices saw a sharp decline of ~21% YoY and ~8% QoQ. This was on account of new capacities commissioned in recent past (CY2018) and the negative impact of US China Trade War. Profitability was further impacted due to currency depreciation which partly offset the gains of reduction in pulp prices which is currently trending downwards. With our better product and market mix we have been able to contain the impact of the adverse global conditions.

Taking forward the tremendous success of the Company's popular VSF brand 'Liva', the brand has been extended to the new product line of Sarees. The Company is working with its value chain partners to make 'LIVA' Sarees as popular as the 'LIVA' tagged garments in the women's wear segment.

Today, Liva partners with over 40 retail brands and is available across 3,500 outlets in Exclusive Business Outlets and Large Format Stores in addition to many more MBOs in 250 cities of India.

On the sustainability front, through the focused water management efforts, the business has been able to bring down the water consumption by over 50% in last three years and by more than 15% since FY19 at multiple sites. The VSF business is now the lowest water consumer

globally. This initiative has also helped in maintaining continuity of operation at Nagda plant, which in the past faced a prolonged shutdown during the peak summer season.

The production ramp up of the of the 3rd generation value added speciality Fibre line of 16 KTPA at Kharach (commissioned in May 2019) is progressing well. The plant has achieved 100% designed capacity utilisation during the quarter.

The 219 KTPA Vilayat Brownfield capacity expansion is progressing well and is expected to be commissioned by FY21.

Chemical Business

The Net Revenue for Q1FY20 stood at ₹1,503 Cr. and EBITDA stood at ₹446 Cr. recording an increase of 3% on QoQ basis. Softening of Caustic Soda prices globally put pressure on prices in domestic markets, which in turn led to lower profitability on YoY basis. Rise in imports and production ramp up of newly commissioned capacities in the industry may continue to have an impact on prices in the near term.

The Caustic Soda sales and production volume for Q1FY20 stood at 238KT and 242KT recording an increase of 1% and 2% YoY respectively. Production was impacted at different sites on account of water shortage and minor disruptions caused by cyclones.

The Company's continued focus on specialty chemicals is yielding results with Speciality chemicals including Epoxy resins contributing ~21% EBITDA of the Chemical business.

The company is in the process of implementing Caustic Soda capacity expansion plan from 1,147 KTPA to 1,457 KTPA at multiple locations and the same are in different stages of execution, with side by side expansion of specialty chemical products too.

Capex Plan

The total capex plan of ~₹7,800 Cr. (at standalone level) is under execution for raising capacities in both the VSF and Chemical businesses, apart from ongoing modernisation capex at various plants. This capital expenditure will be incurred over FY20-FY22.

Cement Subsidiary - UltraTech

The Scheme of Arrangement amongst Century Textiles and Industries Limited ("Century"), UltraTech and their respective shareholders and creditors ("the Scheme") has been approved by the National Company Law Tribunal and likely to become effective in Q2FY20 upon receipt of remaining regulatory approvals.

Post completion of this acquisition and with the on-going capacity expansions, UltraTech's cement manufacturing capacity will stand augmented to 117.35 MTPA, inclusive of overseas operations.

Financial Services Subsidiary – Aditya Birla Capital Limited (ABCL)

The NBFC Lending book (Incl. housing finance) grew 16% YoY to ₹61,998 Cr. (Q1FY20)

The Average Assets Under Management at ₹2,53,965 Cr. (Q1FY20) are up 2% YoY.

In Life Insurance business, the Individual First year Premium are up 29% to ₹322 Cr. in Q1FY20. The persistency ratios witnessed a consistent improvement, the 13th month persistency ratio improved by 591 bps to 78 % in Q1FY20.

In the Health Insurance business, Gross written premium increased to ₹143 Cr. (Q1FY20), 1.9x over the previous year.

Outlook

The VSF business will continue to focus on expanding the market in India by partnering with the textile value chain, achieving better customer connect through its brand LIVA, extensions into new categories and enriching the product mix through a larger share of specialty fibre. VSF continues to be the fastest growing textile fibre globally. However, the new capacities commissioned in Asia in the recent past are expected to create short-term demand supply mismatch and resultant pressure on prices.

The Chemical business is under an expansion mode for both chlor-alkali and specialty chemicals. The ongoing expansion projects at different sites including at the recently acquired project in Andhra Pradesh and new product lines for specialty chemicals will enable significant growth of the business in near future.

The Cement demand growth is expected to be in line with GDP growth. The key long term demand drivers are the Government's pro-growth stance and thrust on infrastructure development, increased plan outlay for social housing program in phase -2 and pick up in rural / urban housing demand with reduction in the interest rates.

In Financial Services, ABCL is a universal financial solution provider catering to the diverse needs of its customers across their life cycle. ABCL is committed to serving the end-to-end financial services needs of its retail and corporate customers under a unified brand — Aditya Birla Capital.
