**NOTES:**

- The Company operates only in one business segment viz. "Steel" which is the reportable segment in accordance with the requirements of Accounting Standard ( AS ) -17 on Segment Reporting issued by the Institute of Chartered Accountants of India.
- The rolling mill expansion was undergoing trial production during the previous year, hence the results may not be comparable.
- Exceptional Items comprises re-instatement gain/loss on External Commercial borrowings (ECB).
- Consequent to the enactment of the Companies Act, 2013 (the Act) and its applicability for accounting periods commencing from 1st April 2014, the Company has recalculated the remaining useful life of fixed assets in accordance with provisions of Schedule II to the Act. In case of Fixed assets which have already completed their useful life in terms of Schedule II of the Act, the carrying value (net of residual value) of such assets as at 1st April 2014 has been adjusted to Retained Earnings and in case of other fixed assets the carrying value (net of residual value) is being depreciated as per Straight line method over the re-calculated remaining useful life. The depreciation and amortisation expense charged for the quarter and year ended 31st March, 2015 would have been higher by Rs. 0.98 crores and Rs. 1.54 crores respectively, had the Company continued with the previously prescribed depreciation rates as per Schedule-XIV of Companies Act, 1956.
- The Company is eligible for incentives under the Mega Project Policy of the Punjab State Government for its expansion completed during last year. Though the plant has been commissioned but the benefits have not been considered in the above results as the same is pending for sanction by appropriate authority.
- Figures for previous periods have been recast/regrouped, wherever necessary to make them comparable. The figures for the quarter ended 31st March are the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto 31st December.
- The Board of Directors has approved the above results in its meeting held on 2nd May, 2015.
