- Allocation for Pradhan Mantri Awaas Yojana–Gramin increased from Rs. 15,000 crores in BE 2016-17 to Rs. 23,000 crores in 2017-18 with a target to complete 1 crore houses by 2019..
- Already introduced Direct Benefit Transfer in LPG. Based on this successful experience, the Government now proposes to introduce DBT on pilot basis for fertilizer.

Update on Demonetization Impact

Understanding the Demonetization Impact -

- In the initial week starting 8th November when the demonetization announcement came, there wasn't lot of clarity on the deliverables and responsibilities of the Business Correspondent (BC) outlets.
- Outlets were closed or Non Functional for almost a week, Post the clarifications came in from RBI and better understanding of the responsibilities we started our normal functioning of BC outlets from 16th November onwards.
- As a BC outlet we were allowed to open new Bank accounts, Cash deposit / withdrawal as per RBI & Bank Limits. we were allowed to accept the old denominated Rs. 500 / Rs. 1000 notes. However, we were not allowed to exchange of Old currency over the counter (OTC).

Key Impact – Structurally Positive due to increase in new account opening resulting into Customer acquisition as well as increased awareness about our outlets during this period.

- This current settlement account of Franchisee is used for real-time settlement of the cash withdrawal/deposit transactions.
- At any time, the deposit accepted at any Vakrangee Kendra cannot exceed the deposit lying in the settlement account.

	Customer's Savings A/C	Franchisee Settlement A/C	Franchisee Cash in Hand
Initial A/C Balance	--> Rs 50,000	Rs 50,000	Rs 50,000
Cash Deposit Rs 10,000	---> Credit Rs 10,000	Debit Rs 10,000	+ Rs 10,000
Cash Withdrawal Rs 20,000	---> Debit Rs 20,000	Credit Rs 20,000	- Rs 20,000
Final A/C Balance	--> Rs 40,000	Rs 60,000	Rs 40,000

- When Franchisee receives cash deposit from customer, Franchisee's settlement A/C gets debited and customer's A/C gets credited.
- When Franchisee provides cash for withdrawal to customer, Franchisee's settlement A/C gets credited and customer's A/C gets debited.
- Thus cash in hand of Franchisee becomes his own cash, and neither the customer nor the bank is at risk of any cash misappropriation.
