Notes:

1. The Company is essentially in the pharmaceutical business segment.
2. In 2003, the Company received notice of demand from the National Pharmaceutical Pricing Authority, Government of India on account of alleged overcharging in respect of certain drugs under the Drug Price Control Order. This was contested before the jurisdictional High Courts wherein it was held in favour of the Company. The orders were challenged before the Hon'ble Supreme Court by the Government. The Hon'ble Supreme Court by a separate order restored the matter to the jurisdictional High Court for interpreting the Drug Policy on the basis of directions and principles laid down by them and also restrained the Government from taking any coercive action against the Company. The Company has been legally advised that on the basis of these orders there is no probability of demand crystallising. Hence no provision is considered necessary in respect of notice of demand aggregating to ₹1654.92 crore (inclusive of principal amount for the period July 1995 to April 2009 and interest upto January 2012).
3. The figures of the previous year have been regrouped/recast to render them comparable with the figures of the current year.
4. *Tax expense is inclusive of current tax and deferred tax.
5. The results for the quarter ended 31st December, 2012 have been subjected to Limited Review by the Statutory Auditors, reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 6th February, 2013.
