* Debt securities may include securitized debts upto 50% of the net assets.

The following shall also be included in the Scheme Information Document ('SID') of the Schemes:

Sr. No.	Section	Particulars
1.	Where will the scheme invest?	The following shall be added under "Section V.D" of the SID, "Where will the Scheme invest": Investment in units of Real Estate Investment Trust ('REIT') & Infrastructure Investment Trust ('InvIT')
2.	Risk factors	The following shall be added under "Section IV.A" titled as "Risk factors" in the SID: Risk of lower than expected distributions: The distributions by the REIT or InvIT will be based on the net cash flows available for distribution. The amount of cash available for distribution principally depends upon the amount of cash that the REIT/INVIT receives as dividends or the interest and principal payments from portfolio assets. The cash flows generated by portfolio assets from operations may fluctuate based on, among other things <ul style="list-style-type: none"> • success and economic viability of tenants and off-takers • economic cycles and risks inherent in the business which may negatively impact valuations, returns and profitability of portfolio assets • force majeure events related such as earthquakes, floods etc. rendering the portfolio assets inoperable • debt service requirements and other liabilities of the portfolio assets • fluctuations in the working capital needs of the portfolio assets • ability of portfolio assets to borrow funds and access capital markets • changes in applicable laws and regulations, which may restrict the payment of dividends by portfolio assets • amount and timing of capital expenditures on portfolio assets • insurance policies may not provide adequate protection against various risks associated with operations of the REIT/InvIT such as fire, natural disasters, accidents Price-Risk: The valuation of the REIT/INVIT units may fluctuate based on economic conditions, fluctuations in markets (eg. real estate) in which the REIT/InvIT operates and the resulting impact on the value of the portfolio of assets, regulatory changes, force majeure events etc. REITs & InvITs may have volatile cash flows. As an indirect shareholder of portfolio assets, unit holders rights are subordinated to the rights of creditors, debt holders and other parties specified under Indian law in the event of insolvency or liquidation of any of the portfolio assets Interest-Rate Risk: Generally, when interest rates rise, prices of units fall and when interest rates drop, such prices increase. Liquidity Risk: This refers to the ease with which REIT/InvIT units can be sold. There is no assurance that an active secondary market will develop or be maintained. Hence there would be time when trading in the units could be infrequent. The subsequent valuation of illiquid units may reflect a discount from the market price of comparable securities for which a liquid market exists The following shall be added under "Section IV. B" titled as "Risk Management Strategies" of the SID: RISK MITIGATION FACTORS: The Investment Manager endeavours to invest in REITs/InvITs, where adequate due diligence and research has been performed by the Investment Manager. The Investment Manager also relies on its own research as well as third party research. This involves one-to-one meetings with the managements, attending conferences and analyst meets and also tele-conferences. The analysis will focus, amongst others, on the predictability and strength of cash flows, value of assets, capital structure, business prospects, policy environment, strength of management, responsiveness to business conditions, etc.
3.	Investment Restrictions	The following shall be added under "Section VI." titled "What are the Investment Restrictions" in the SID: <ul style="list-style-type: none"> • The Mutual Fund under all its schemes shall not invest more than 10% of units issued by a single issuer of REIT and InvIT. • The Scheme shall not invest: <ul style="list-style-type: none"> ✓ more than 10% of its NAV in the units of REITs and InvITs; and ✓ more than 5% of its NAV in the units of REITs and InvITs issued by a single issuer.

Apart from above, there will be no change in type of Scheme, exit load, plans and options and any other features of the Schemes.

Please note that the changes as stated above will be in the nature of a change in fundamental attributes of the Scheme and therefore pursuant to Regulation 18 (15A) of the SEBI (Mutual Funds) Regulations, 1996 read alongwith SEBI Circular no. SEBI/HO/IMD/DF2/CIR/P/2017/17 dated February 28, 2017, each Unit Holder of the Schemes needs to be informed of the change and be given an option, for a period of 15 days, to redeem his/her/its investments in the Schemes, at the relevant applicable NAV, without any exit load.

SEBI vide its letter no. OW/8371/2017 dated April 11, 2017 has taken on record the aforesaid proposal for change in fundamental attribute of the Schemes.

Unit holders who have no objection to the aforesaid changes, no action needs to be taken and it would be deemed that Unit holder has consented to the aforesaid changes.

Unit holders under the Schemes who do not agree with the aforesaid changes, may redeem their Units or switch to other eligible schemes of the Fund at the prevailing Net Asset Value without any exit load, by filing up the requisite transaction slip and submitting the same at any of our designated Official Points of Acceptance (list available on www.dspblackrock.com) between April 18, 2017 and May 2, 2017 (both days inclusive and upto the cut-off time on May 2, 2017). Unit holders who do not exercise the exit option in the Schemes upto 3.00 p.m. on May 2, 2017, shall be deemed to have consented to the proposed changes. A separate communication is being dispatched/mailed to the registered address/email address of the existing Unit Holder(s) of the Schemes in this regard. The said letter is also available on our website at <http://www.dspblackrock.com/investor-centre/download>

Redemption / Switch-out by the Unit holders due to aforesaid change or due to any other reasons may entail tax consequences. Unit holders are advised to consult their tax advisor for the same.

Unit holders who have pledged / encumbered their Units will have the option to exit only if they submit a release of their pledges / encumbrances prior to submitting their redemption / switch requests during the exit option period.

*Monthly income is not assured and is subject to the availability of distributable surplus.

NEW DELHI: Teams of the Uttar Pradesh anti-terrorist squad (UP-ATS) and Telecom Enforcement, Resource and Monitoring (TERM) Cell raided illegal internet service providers in Ghaziabad, Greater Noida and Noida on Monday.

Officials said the operators who don't have requisite licences are not only a threat to security but also causing huge loss to the exchequer.

According to UP-ATS officials, the raids were conducted at several premises under Mammura, Greater Noida, Khoda police station areas.

The team seized servers, switches, routers, mobile towers and account details of the illegal operators and also rounded over a dozen people for questioning.

"Initial investigation has shown that these operators were procuring services from bigger internet service providers (ISPs) who also had no licenses from department of telecommunication," said Anup Singh, deputy superintendent of police (UP-ATS).

"In one of the instances, we came to know about such an ISP in Delhi. In all, we have arrested five people who were operating such illegal firms and providing internet and broadband services to customers in Ghaziabad, Greater Noida and Noida," Singh said.

The officials said some of the

Apart from the relevant sections under the different laws, the operators will also be booked for forgery and cheating. One such operator had nearly 4,000 customers.

firms against which action was taken are Bhoomi, Altranet, Advance net, Vanshika and Laxmi. Complaints have also been forwarded to Phase III, Sector-20, Khoda and Karna police stations against the accused persons.

"Apart from the relevant sections under the different laws, the operators will also be booked for forgery and cheating. One such operator had nearly 4,000 customers. Since it is preliminary information, we estimate other illegal operators might have a similar number of clients," Singh said.

The officials said to be an ISP one must have a licence from the Department of Telecommunications. They said the illegal operators also violated the monitoring and content blocking clauses, besides not adhering to regulations and security terms and conditions laid down under the law.

Man to get ₹4.4 lakh for two flats demolished without consent

Press Trust of India
htreporters@hindustantimes.com

NEW DELHI: A Delhi court has awarded ₹4.4 lakh to a man whose flats in a building were demolished without his consent by the owners of other floors.

Additional District Judge Rakesh Kumar Sharma asked the persons, who demolished the two floors of the complainant, to reconstruct them and pay ₹15,000 per month for future damages until possession was given to him.

According to the complaint filed by north-west Delhi resident Surinder Kumar Batra, he had sold the ground and first floor of a four-storey building on August 2, 2011 to Subhash Chander and Pankaj Verma while retaining the second and the third floor.

It was alleged that the buyers demolished the entire building without informing Batra and constructed a parking lot in the two storeys.

The complaint further alleged that the buyers took away all the household things from the demolished flats. Chander and Verma, however, denied all the allegations and claimed that the building was not demolished by them.

"The plaintiff has claimed damages for the period from April 1, 2012 to July 31, 2013 i.e for 16 months. The amount of damages at ₹7,500 per month per floor for 16 months comes to ₹2,40,000. Hence, it is held that the plaintiff is entitled to recover an amount of ₹2.40 lakh as damages for the period," the court said.

DOMESTIC DISCORD Locals save woman from drunk husband

Karn Pratap Singh
karn.singh@hindustantimes.com

NEW DELHI: Neighbours turned saviour for a 25-year-old woman who was threatened at gunpoint and dragged into a car, allegedly by her drunk husband, outside her parental home in outer Delhi's Sultanpuri in the early hours of Monday.

Police said the man was enraged with his wife because she had left his home in Rohtak after an altercation.

Even as the man, Yashpal, threatened to open fire, the neighbours overpowered him and snatched his country-made pistol before he could harm anybody. When police reached the spot, the inebriated man allegedly threatened to shoot them as well, police said.

Yashpal was taken into custody and a pistol with five bullets was seized from him. He was arrested under sections 452 (house trespass after preparation for hurt, assault or wrongful restraint), 506 (criminal intimidation), 336 (Act endangering life or personal safety of others) of Indian Penal Code.

A case was registered at the Sultanpuri police station. Yashpal's friend Devender, who was with him, was arrested, police said.

MN Tiwari, deputy commissioner of police (outer), said at 1.30 am, the woman's neighbour called up the police control room. The woman was married to Yashpal four years ago. Yashpal runs a canteen business at the ITI in Rohtak, the DCP said.

According to a police officer, the couple often had quarrels

The gun and bullets recovered from accused Yashpal, who runs a canteen in Rohtak.

but this time woman decided to leave her husband. The couple recently had a quarrel after which she informed her brother Akash who visited Yashpal's home in his absence and brought his sister back to his Sultanpuri home.

"When Yashpal found his wife missing, he tracked her down to her parental home and reached there with Devender in an inebriated condition. Yashpal asked his wife to return and when she refused, he pointed a pistol on her," said the officer.

When Akash tried to rescue his sister, Yashpal allegedly abused him and threatened to kill her. Hearing the commotion, some neighbours came out and overpowered Yashpal and Devender.

They were later handed over to the police.

"Yashpal was previously involved in a murder case in Haryana. We are interrogating him to find out the source through which he procured the firearm," added the DCP.

Notice to JNU over admissions

HT Correspondent

NEW DELHI: The Delhi High Court on Monday sought Jawaharlal Nehru University's response on a petition challenging a single judge's order dismissing some students' plea against the varsity's new admission policy for 2017-18 capping the number of students per professor for MPhil and PhD courses.

The students have claimed that proper procedure was not

followed by the University while adopting a 2016 notification of the University Grant Commission (UGC) on the admission policy.

A bench of acting chief justice Gita Mittal and justice Anu Malhotra said: "The matter requires consideration" as it asked the varsity to file its affidavit before April 28, the next date of hearing.

Rejecting the students' contention, the judge said the UGC Act, under which the regulation was issued, was enacted by Parliament and would prevail over the

JNU Act that sets procedure for adopting the notification.

The students were of the view that the regulation only sets the minimum standards and it was for the varsity to decide how to implement them.

The single judge in its verdict passed on March 16 had refused to accept the students' contention that the university can decide how to implement the regulations, saying once UGC framed the regulations, the varsity was required to follow it.
