Dear Sirs

Confirmation/Information on published news

We refer to your letter NSE/CM/Surveillance/R-1749 dated 20th January, 2015 on the above subject.

The Report captioned " MRF in talks to buy Kesoram's Tyre Unit" in The Economic Times dated 20th January, 2015 that you refer to in your letter is purely speculative in content.

We are not in a position to respond to newspaper reports that are based entirely on speculation and conjecture. Indeed, we pointed this out to the correspondent of The Economic Times when we were approached on the subject yesterday. However, the newspaper chose not to publish our rejoinder. A copy of the rejoinder sent to The Economic Times is attached for ready reference.

Thank you

Yours faithfully
Kesoram Industries Limited

Dear Sir

“Story” on Kesoram Industries Limited

We refer to your E Mail of date addressed to our Debasish Bhattacharya.

We note that you wish to do a “story” on Kesoram Industries Limited’s purported discussions with MRF for “selling” the Uttarakhand Unit of Birla Tyres.

We, in Kesoram Industries Limited, can safely assert that the “story”, if at all published, will be purely speculative in content.

Thank you

Sincerely

Gautam Ganguli
Company Secretary
