Amendments to the Article 6 of Turkish Airlines' Articles of Association

From 2015 to 2019, The Board of Directors is authorized to increase the issued capital when necessary by issuing registered share certificates up to the registered capital ceiling, in compliance with the provisions of Capital Market Law.

The shares that represent the capital are being tracked within the frame of dematerialization principles.
Shares are separated into two groups and all of them are registered.

By taking into consideration the rules of Capital Market Board and upon consent of the Capital Market Board, the "nature of foreigner" as indicated in paragraph 6(d) below and the limitations incidental thereto and the rights granted to the Incorporation in case of share transfers exceeding the foreign limit not complying with the provisions of the Articles of Association will be denoted on the share certificates issued to represent the share capital.

Below are the shares of the share groups in the issued share capital of the Incorporation:

GROUP	AMOUNT OF CAPITAL	TYPE	AMOUNT OF SHARES
