To the Board of Directors of
Enviro Infra Engineers Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of Enviro Infra Engineers Limited ('the Company') which includes the Company's interest in six joint operations, for the quarter ended June 30, 2026 ('the Statement'), attached herewith, being prepared and submitted by the Company pursuant to the requirement of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended thereafter ("the Listing Regulations"), which has been initialed by us for identification purpose.

2. This Statement, which is the responsibility of the Company's Management and has been approved by the Board of Directors of the Company, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, "Interim Financial Reporting" (Ind AS 34), prescribed under Section 133 of the Companies Act, 2013, as amended (the "Act"), read with relevant Rules issued thereunder and other accounting principles generally accepted in India, read with the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries primarily of the person responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. The statement includes the financial information/ financial results of the six joint operations listed in Annexure-1 to this report.

5. Based on our review conducted as stated in paragraph 3 above and the consideration of the matters referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in all material respects in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ('Ind AS') prescribed under the Act read with relevant rules issued thereunder including the amendments thereof and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We did not review the interim financial information of six joint operations included in the Statement, whose financial information, to the extent of the Company's share, reflects total revenues of Rs. 815.79 lakhs, total net profit / (losses) after tax of Rs. (1.01) Lakhs and total comprehensive income / (losses) of Rs. (1.01) Lakhs for the quarter ended on June 30, 2026.

This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of the persons responsible for financial and accounting matters and applying analytical and other review procedures. Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard ('Ind AS') prescribed under Section 133 the Act as amended, read with relevant Rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

6. We draw attention to note no-8 to the Statement, which describes the matter relating to Suyog Urja Limited, a step-down subsidiary of the Parent Company. Suyog Urja Limited received an advance of Rs. 1,861.00 Lakhs from a customer, which has remained outstanding for a prolonged period. Against the said advance, Suyog Urja Limited has recognized work-in- progress/ current assets amounting to Rs. 923.14 Lakhs as at June 30,2026.
