France

Turkey

The Tender Offer is not being made, directly or indirectly, in the Republic of Turkey. The offering of the Notes in 2013 was authorised by the Capital Markets Board of Turkey (“CMB”) only for the purpose of the issuance and sale of the Notes outside Turkey in accordance with Article 15(b) of Decree 32 on the Protection of the Value of the Turkish Currency (as amended from time to time) (“Decree 32”) and the Communiqué Serial II, No. 22 on the Principles on the Registration and Sale of Debt Instruments (which was then abolished by the Communiqué No. VII 128.8 on the Debt Instruments). The CMB authorised the offering of the Notes on the basis that, following the primary sale of the Notes, no transaction that may be deemed as a sale of the Notes (or any beneficial interests therein) in Turkey may be engaged in. Pursuant to Article 15(d)(ii) of Decree 32, there is no restriction on the purchase or sale of the Notes (or beneficial interests therein) in offshore transactions by the existing Holders resident in the Republic of Turkey, provided that such sale or purchase is made through licensed banks authorised by the Banking Regulation and Supervision Authority (“BRSA”) and/or licensed brokerage institutions authorised pursuant to CMB regulations and the purchase price is transferred through such licensed banks. Accordingly, the existing Holders resident in the Republic of Turkey may participate in the Tender Offer provided that the sale of the Notes is made through licensed banks authorised by the BRSA and/or licensed brokerage institutions authorised pursuant to CMB regulations and the purchase price is transferred through such licensed banks. The Offer to Purchase is not an advertisement and does not constitute or form part of and should not be construed as, an offer to sell or the solicitation of an offer to buy the Notes in the Tender Offer within the Republic of Turkey. Neither the Offer to Purchase nor any other such offering material has been or will be submitted for clearance or approval to the Borsa İstanbul A.Ş. or the CMB or any other regulatory authority in the Republic of Turkey.

General

The Offer to Purchase does not constitute an offer to buy or the solicitation of an offer to sell Notes (and tenders of Notes in the Tender Offer will not be accepted from Holders) in any circumstances in which such offer or solicitation is unlawful. In those jurisdictions where the securities, blue sky or other laws require the Tender Offer to be made by a licensed broker or dealer and any of the Dealer Managers or any of the Dealer Managers' respective affiliates is such a licensed broker or dealer in any such jurisdiction, the Tender Offer shall be deemed to be made by such Dealer Manager or affiliate, as the case may be, on behalf of the Company in such jurisdiction.

Each Holder participating in the Tender Offer will also be deemed to give certain representations in respect of the other jurisdictions referred to above and generally as set out in "*Procedures for Tendering Notes*" in the Offer to Purchase. Any tender of Notes for purchase pursuant to the Tender Offer from a Holder that is unable to make these representations will not be accepted. Each of the Company, the Dealer Managers and the Information and Tender Agent reserves the right, in its absolute discretion, to investigate, in relation to any tender of Notes for purchase pursuant to the Tender Offer, whether any such representation given by a Holder is correct and, if such investigation is undertaken and as a result the Company determines (for any reason) that such representation is not correct, such tender shall not be accepted.
