

PRESS RELEASE

TMP GROUP, IN 2022 VALUE OF PRODUCTION INCREASED TO 6,5 MILLION EURO (+14%)

CEO Roberto Rosati: «These results confirm the group's ambitious growth plans»

Milan, March 6, 2023 – TMP Group S.p.A. (the "Company" or "TMP"), an Italian tech-media company specialized in the design and development of communication, advertising and digital marketing strategies, hybrid events and contents, characterized by a high technological profile, listed on the Euronext Growth Milan market of Borsa Italiana (Italian Stock Exchange, ticker: TMP), announces that the Board of Directors, which met today, examined the consolidated value of production, corresponding to total consolidated revenues, as at 31 December 2022, unaudited, which amounted to 6.5 million euro, up 14% compared to 5.7 million euro *pro forma* at 31 December 2021.

CEO Roberto Rosati commented on the result as follows: *«We are proud to be able to confirm what we announced during the pre-listing roadshow, with a value of production that increases compared to 2021. This result is possible thanks to the intense work and to the group's business model, dedicated to the implementation of technologies in four vertical divisions (Digital, Experience, Production, Technology). Results possible also thanks to a team capable of designing and creating innovative products and technologies, quickly intercepting needs and evolutions of the external context – Rosati stresses. Furthermore, transparency and sharing are TMP's fundamental values, which have been adopted since its inception. They are key in our relations with stakeholders in order to maintain a virtuous ecosystem characterized by mutual dialogue and development. The commitment for the coming months remains unchanged, with clear and precise targets ranging from geographical expansion to continuous growth thanks to both organic development and possible M&A projects».*
