EXPLANATORY STATEMENT

[Pursuant to Section 102 of the Companies Act, 2013 (“Act”)]

The following statement sets out all the material facts relating to the Resolution Nos. 1 to 6 to be passed as mentioned in this Postal Ballot Notice:

In terms of Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (‘Listing Regulations’), as amended, material related party transactions require prior approval of the shareholders through ordinary resolutions, even if such transactions are in the ordinary course of business of the Company and at an arm’s length basis.

As per Listing Regulation, a transaction with a related party shall be considered material, if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year exceeds 10% of the annual consolidated turnover of the listed entity when the Consolidated Turnover of Listed Entity is upto ₹ 20,000 Crore.

Further, as per Regulation 2(1)(zc) of the Listing Regulations, the definition of Related Party Transaction (‘RPT’) includes a transaction involving a transfer of resources, services or obligations between a listed entity or any of its subsidiaries on one hand and a related party of the listed entity or any of its subsidiaries on the other hand, regardless of whether a price is charged or not.

Accordingly, Resolution Nos. 1 to 6 are placed for the approval of the Members of the Company.

Item No 1:**Background, details and benefits of the transaction**

Lineage Power Private Limited is a material subsidiary of the Company and consequently, a related party. It is involved in the business of manufacturing Battery Energy Storage System (“BESS”) and passive equipment for telecom tower installation, optical fibre cable laying and solar panels for the solarization of telecom towers over the years.

The proposed related party transactions are beneficial as they improve supply chain reliability, enhance cost efficiency through group synergies, and provide access to in-house expertise and technology. They also support operational flexibility and strengthen capabilities in BESS manufacturing, contributing to long-term growth and value creation. These transactions support the efficient functioning of both the Companies by maintaining an uninterrupted supply of facilities and services in the required quality and quantity. They also contribute to steady revenue generation and enable both companies to effectively meet their respective business needs. Further, the said transactions are aimed at leveraging operational synergies, enhancing

efficiency, and optimizing the integration of business processes and technical capabilities for mutual benefit. To ensure continuity of operations, the Company proposes to enter into similar transactions and/or continue with existing transactions with Lineage Power Private Limited during FY 26-27 for an aggregate value not exceeding ₹ 4325 crore.

The management has provided the Audit Committee with the relevant details of various proposed RPTs including material terms.

The Audit Committee, after reviewing all necessary information, material terms and basis the certificate provided by the Managing Director and Chief Financial Officer of the Company, as required under the RPT Industry Standards regarding the said transaction, have granted approval for entering into the RPTs with Lineage Power Private Limited, for an aggregate value not exceeding ₹ 4325 crore during Financial Year 2026-27.

The Audit Committee has noted that the said transaction will be in the ordinary course of business of the Company and at an arm's length basis.

Details of the proposed RPTs between the Company and Lineage Power Private Limited, including the information required to be disclosed in the Explanatory Statement pursuant to the SEBI Master Circular HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated January 30, 2026, read with SEBI circular dated June 26, 2025, are as follows:
