- The financial results have been audited by the Joint Statutory Auditors as required under Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, as amended.
- The financial results of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended). These financial results have been prepared in accordance with the recognition and measurement principles of Ind AS, prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and the other accounting principles generally accepted in India.
- Other Income includes Insurance claim in respect of damages sustained in the earlier year, settled for ₹ 13.93 Crore during the quarter ended December 31, 2020.
- Purchase of Stock-in-trade includes purchase of crude oil and petroleum products towards high sea sales.
- The Board of Directors in its 234th Meeting held on January 20, 2021 has approved the Long Term Settlement pertaining to wage revision and other related benefits of the Non Management staff which was due for revision effective from January 1, 2017. The effect of same has already been considered in respective periods.
- The long term employee benefit of Provident Fund is administered through a separate Trust, established for this purpose in accordance with The Employee Provident Fund and Miscellaneous Provisions Act, 1952. The Company's contribution to the Provident Fund is remitted to this trust based on a fixed percentage of the eligible employee's salary and charged to Statement of Profit and Loss. As per the Statute, the shortfall, if any, in the interest obligation, in comparison to minimum rate of return, declared by Government of India will have to be made good by the Employer and therefore, for the financial year 2020-21, an amount of ₹ 2.87 Crore (Year ended March 31, 2020 ₹ Nil) has been provided and charged to Statement of Profit and Loss. The shortfall has arisen primarily due to default over interest obligations on Non-convertible Debentures of certain Companies wherein the Trust has made its investments at a time when these Companies were having highest credit rating. In anticipation of probable principal default as well in these NCDs amounting to ₹ 34.73 Crore, basis best available estimate, the Provident Fund Trust has marked down the investments by 70% in its Books to reflect the true & fair valuation. Correspondingly, considering the Employer's obligation to make good the loss in value of these investments under the Provident Fund regulations, the Company determined its probable liability in the future amounting to ₹ 24.31 Crore (Year ended March 31, 2020 ₹ Nil), which has been provided during the year and charged to Statement of Profit and Loss.
- Other Expenses for the quarter ended December 31, 2020, and year ended March 31, 2021 includes net exchange fluctuation gain of ₹ 52.15 crore and ₹ 107.88 crore respectively.
- Other Expenses for the quarter ended March 31, 2021, quarter ended March 31, 2020 and year ended March 31, 2020 includes net exchange fluctuation loss of ₹ 7.25 crore, ₹ 508.89 crore and ₹ 687.21 crore respectively.
- The Taxation Laws (Amendment) Act, 2019 inserted a new section 115BAA in the Income Tax Act, 1961, which gives domestic companies a non-reversible option to pay corporate tax at reduced rate, subject to certain conditions. Such option can be exercised for the financial year 2019-20 or any subsequent financial year. The Company did not exercise the option for the financial year ended March 31, 2020. The financial statements of the Company for the year ended March 31, 2021 have been prepared considering the old Corporate Tax rate. However, the option for the new lower tax rate for the financial year 2020-21 can be exercised by the Company on or before the due date for filing of the return of income.
- The Company has recognised Deferred Tax Asset of ₹ 102.48 crore for the year ended March 31, 2021.
- The Subsidiary Company OMPL has issued ₹1,000 crore Compulsorily Convertible Debentures (CCDs) on March 05, 2020 (1000 Nos. of ₹ 1 crore each). It was treated as Compound Financial Instrument (CFI) and accordingly classified into Equity and Debt component adopting accounting treatment as per Ind AS 32. Correspondingly the company has disclosed only the backstopping arrangement by way of notes in Standalone Financial Statement. The Comptroller & Auditor General (C&AG) of India observed deficiencies in this regard and suggested for corrective and remedial action (if any) for treatment adopted by the Subsidiary Company "OMPL" in FY 2019-20 along with treatment made in the books of holding company. The company along with subsidiary had given assurance to refer the matter to the Expert Advisory Committee (EAC) of The Institute of Chartered Accountants of India (ICAI). Accordingly, the Company along with Subsidiary has referred this matter to EAC on above issue. EAC opined on the said matter on May 5, 2021 that the accounting treatment of CCDs issued by the Subsidiary Company is not in line with the requirements of Ind AS 32 and the CCDs shall be classified as financial liabilities (the equity conversion feature can only be settled through the issue of equity shares, however, there is an obligation to issue a variable number of shares, the number of shares to be issued is based on the share price on conversion. In other words, the conversion price and, hence, the conversion ratio of CCDs into ordinary equity shares of the Company is not fixed at the point of initial recognition of the CCDs. Therefore, the conversion component within the instrument would not meet the criteria laid down in Ind AS 32 for the purpose of classifying as equity) in entirety and opined to correct the accounting treatment as a prior period error retrospectively. Accordingly, considering the EAC opinion, the subsidiary Company has treated the CCDs as financial liability. Further to that the company has also received opinion for their standalone Financial statement that the current accounting treatment in the financial statements of the Company is not in line with the requirements of Ind AS 32 and the Company shall comply with the relevant presentation and disclosure requirements of Ind AS 107 and Division II of Schedule III to the Companies Act, 2013. The Company shall correct the accounting treatment of the CCDs as a prior period error retrospectively. The company has now corrected the accounting treatment by restating the Financial Statement for the year ending 31st March 2020.

The impact of the said changes on standalone financial results (to the extent practicable) as declared are given below :

- 15 The outbreak of COVID-19 pandemic globally and resultant lockdown in many countries and has impacted the business of the Company. Consequently lower demand for crude oil, petroleum and petrochemical products has impacted the prices and refining margin globally during the part of the year and resulted in reduction in sales for the Company. The capacity utilisation gradually improved subsequently. Management has assessed the potential impact of COVID 19 based on the current circumstances and expects no significant impact on the continuity of operations of the business on long term basis/ on useful life of the assets/ on long term financial position etc. though there may be lower revenues and refinery throughput in the near future.

Independent Auditor's Report on the Audited Annual Standalone Financial Results of Mangalore Refinery and Petrochemicals Limited Pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**TO THE BOARD OF DIRECTORS OF
MANGALORE REFINERY AND PETROCHEMICALS LIMITED**

Opinion

We have audited the accompanying statement of Standalone Financial Results ("the statement") of **Mangalore Refinery and Petrochemicals Limited** ('the Company') for the quarter ended 31st March, 2021 and the year to date results for the period from 1st April, 2020 to 31st March, 2021, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("The Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, these Standalone Financial Results:

- (i) are presented in accordance with the requirements of Regulation 33 and 52 of the Listing Regulations in this regard; and
- (ii) gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India, of the net profit/(loss) and other comprehensive income and other financial information of the Company for the quarter ended 31st March, 2021 as well as the year to date results for the period from 1st April, 2020 to 31st March, 2021.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of Financial Results under the

provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We invite attention to the following:

- (a) Note No.8 of the statement regarding provision of ₹ 2.87 Crores and ₹ 24.31 Crores respectively, to make good the loss in value of investment considering the employer's obligation under the Provident Fund Regulations, arising out of shortfall primarily due to default over interest obligations and the probable principal default anticipated on Non-convertible Debentures of certain Companies wherein the Provident Fund Trust has made its investments. The Provident Fund Trust has marked down the above investment by 70% in its books which will depend upon the future outcome of various matters and the recognition of company's claim in these matters.
- (b) Note No.13 of the statement with regard to the disclosure and accounting treatment including the restatement of the financial statement for the year ending 31st March, 2020 on the basis of the Expert Advisory Committee (EAC) opinion of the Institute of Chartered Accountants of India (ICAI) in respect of backstopping arrangement for Compulsorily Convertible Debentures (CCD) issued by its subsidiary ONGC Mangalore Petrochemicals Limited.
- (c) Note No.15 of the statement which describes the impact of COVID-19 on the company's business and the appropriateness of preparing these financial statements on a going concern basis which is more fully described therein.

Our opinion is not modified in respect of the above referred (a) to (c) matters.

Management's Responsibilities for the Standalone Financial Results

The Statement has been prepared on the basis of related quarterly and annual standalone financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit/(loss) and other comprehensive income of the Company and other financial information in accordance with the applicable Indian Accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India

and in compliance with Regulation 33 and 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

- (i) The statement includes the financial results for the quarter ended March 31, 2021 being the balancing figure between audited figures in respect of the full financial year ended March 31, 2021 and the published/ restated unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.
- (ii) The audit of the Standalone financial results for the corresponding quarter and year ended 31st March, 2020 included in the statement was carried out and reported by the predecessor auditors, who have expressed unmodified opinion vide their audit report dated 9th June, 2020 whose report has been furnished to us and which have been relied upon by us for the purpose of our audit of the statement.

Our opinion is not modified in respect of the above referred (i) and (ii) matters.

Notes to Consolidated Financial Results:

- The Audit Committee has reviewed the above results and the same have been subsequently approved by the Board of Directors in their meetings held on May 17, 2021.
- The Audited Accounts are subject to Supplementary Audit by the Comptroller and Auditor General of India under section 143(6) of the Companies Act, 2013.
- The financial results have been audited by the Joint Statutory Auditors as required under Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, as amended.
- The financial results of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended). These financial results have been prepared in accordance with the recognition and measurement principles of Ind AS, prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and the other accounting principles generally accepted in India.
- The Group has recognised Deferred Tax Asset of ₹ 151.76 crore for the year ended March 31, 2021.
- The long term employee benefit of Provident Fund of the holding company is administered through a separate Trust, established for this purpose in accordance with The Employee Provident Fund and Miscellaneous Provisions Act, 1952. The Company's contribution to the Provident Fund is remitted to this trust based on a fixed percentage of the eligible employee's salary and charged to Statement of Profit and Loss. As per the Statute, the shortfall, if any, in the interest obligation, in comparison to minimum rate of return, declared by Government of India will have to be made good by the Employer and therefore, for the financial year 2020-21, an amount of ₹ 2.87 Crore (Year ended March 31, 2020 ₹ Nil) has been provided and charged to Statement of Profit and Loss. The shortfall has arisen primarily due to default over interest obligations on Non-convertible Debentures of certain Companies wherein the Trust has made its investments at a time when these Companies were having highest credit rating. In anticipation of probable principal default as well in these NCDs amounting to ₹ 34.73 Crore, basis best available estimate, the Provident Fund Trust has marked down the investments by 70% in its Books to reflect the true & fair valuation. Correspondingly, considering the Employer's obligation to make good the loss in value of these investments under the Provident Fund regulations, the Company determined its probable liability in the future amounting to ₹ 24.31 Crore (Year ended March 31, 2020 ₹ Nil), which has been provided during the year and charged to Statement of Profit and Loss.
- The Subsidiary Company OMPL has issued ₹ 1,000 Crore Compulsorily Convertible Debentures (CCDs) on March 05, 2020 (1000 Nos. of ₹ 1 Crore each). It was treated as Compound Financial Instrument (CFI) and accordingly classified into Equity and Debt component adopting accounting treatment as per Ind AS 32. Correspondingly the company has disclosed only the backstopping arrangement by way of notes in Standalone Financial Statement. The Comptroller & Auditor General (C&AG) of India observed deficiencies in this regard and suggested for corrective and remedial action (if any) for treatment adopted by the Subsidiary Company "OMPL" in FY 2019-20 along with treatment made in the books of holding company. The company along with subsidiary had given assurance to refer the matter to the Expert Advisory Committee (EAC) of The Institute of Chartered Accountants of India (ICAI). Accordingly, the Company along with Subsidiary has referred this matter to EAC on above issue. EAC opined on the said matter on May 5, 2021 that the accounting treatment of CCDs issued by the Subsidiary Company is not in line with the requirements of Ind AS 32 and the CCDs shall be classified as financial liabilities (the equity conversion feature can only be settled through the issue of equity shares, however, there is an obligation to issue a variable number of shares, the number of shares to be issued is based on the share price on conversion. In other words, the conversion price and, hence, the conversion ratio of CCDs into ordinary equity shares of the Company is not fixed at the point of initial recognition of the CCDs. Therefore, the conversion component within the instrument would not meet the criteria laid down in Ind AS 32 for the purpose of classifying as equity) in entirety and opined to correct the accounting treatment as a prior period error retrospectively. Accordingly, considering the EAC opinion, the subsidiary Company has treated the CCDs as financial liability. Further to that the company has also received opinion for their standalone Financial statement that the current accounting treatment in the financial statements of the Company is not in line with the requirements of Ind AS 32 and the Company shall comply with the relevant presentation and disclosure requirements of Ind AS 107 and Division II of Schedule III to the Companies Act, 2013. The Company shall correct the accounting treatment of the CCDs as a prior period error retrospectively. The company has now corrected the accounting treatment by restating the Financial Statement for the year ending 31st March 2020.

The impact of the said changes on consolidated financial results (to the extent practicable) as declared are given below :

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its jointly controlled entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Results, including the disclosures, and whether the Consolidated Financial Results represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient and appropriate audit evidence regarding the financial Results/financial information of the entities within the Group and its jointly controlled entity to express an opinion on the Consolidated Financial Results.
