Media Release

Highest ever monthly Sales volume of 27,000 Metric Ton in August 2018

New Delhi, 07th September 2018: Hi-Tech Pipes Limited (NSE: HITECH), Incorporated in 1985- Amongst leading steel processing Companies in India providing world class innovative products for nearly three decades with presence in steel pipes, hollow section tubes, cold rolled coils & strips, road crash barriers, solar mounting structures and a variety of other galvanised products is pleased to informed that the Company has successfully achieved a record of highest ever monthly sales volume in August 2018.

The Company achieved the highest monthly sales volume of 27,000 MT in August 2018. Company's continuous efforts and strategic plans of expanding existing capacities and improving efficiency has been executed successfully. Company is positive to continue with similar performance going ahead.

Management Comment

Commenting on the Solar installation, Mr. Ajay Kumar Bansal, Managing Director, Hi-tech Pipes Ltd said, *"I am very happy to share that our Company has successfully achieved monthly sales of 27,000 MT in August 2018, which is highest ever monthly sales volume in Company's history. Expansion in the existing plants and significant steps towards increasing our operational efficiencies has helped the Company in achieving this milestone. We are positive to continue with similar performance going ahead."*

I would like to thank the entire team of Hi- Tech Pipes Limited for all the hard work that has helped us achieve our targets."
