PRESS NOTE

We are in receipt of a letter from Department of Consumer Affairs today evening. According to the said letter, we have to submit an Undertaking that new contract shall not be launched until further instruction from the concerned authority. However, the existing business in the running contracts traded on spot exchanges will continue without any disruption. We have also been advised to give an undertaking that existing contracts should be settled on the due date. Since Spot Exchanges do not have any such concept of contracts with "Due date" (unlike futures contracts) traded on its platform and hence we are seeking necessary clarification in this regard and will comply with all lawful directions issued by the concerned authorities in this regard.
