NOTES:

- These unaudited financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on July 30, 2013 and have been subjected to a limited review by the Statutory Auditors of the Company.
- The Board of Directors at their meeting held on July 30, 2013 have declared a first interim dividend of ₹ 2/- per equity share of face value of ₹ 2/- each (i.e. 100%) on equity share capital of the Company.
- The Company, as a part of its core business strategy, promotes and invests in new ventures that utilize its technological capabilities and domain expertise towards creating world class enterprises. The investment in each such venture is assessed for its risks and is limited to a pre-determined level and will generate returns after the ventures start ramping up operations in varied time frame depending upon the line of business. The Company, as part of its non-linear business model, will endeavor to unlock value by broadening the investor base of its ventures.
- As at June 30, 2013, the Company's investments aggregating ₹ 49,090.30 lacs and debts and other recoverable aggregating ₹ 65,233.34 lacs in certain subsidiaries and a joint venture company, which presently have accumulated losses, but are expected to be recovered and have their values unlocked in the near future, since these companies are already at various stages of executing their business plans and operations, with expected profitability. Accordingly, a provision for other than temporary diminution in the value of ₹ 1,737.26 lacs is considered to be adequate.

Notes :

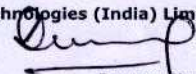

- Segments have been identified in accordance with the Accounting Standard (AS 17) "Segment Reporting" considering the organisation structure and the return/risk profiles of the business.
- STP Technologies / Solutions segment represents Straight Through Processing Solutions and includes an integrated mix of various products, projects and activities incidental thereto. Others represent trading activities, process management services and shared business support and IT Infrastructure sharing services.
- Due to diversified nature of business, significant assets are interchangeably used between segments and the management believes that it is currently not practicable to provide segment disclosure relating to capital employed since a meaningful segregation is not possible.
