### **About Benchmark**

Benchmark is a leading aquaculture biotechnology company. Benchmark's mission is to enable aquaculture producers to improve their sustainability and profitability.

We bring together biology and technology to develop innovative products and solutions which improve yield, quality and animal health and welfare for our customers. We do this by improving the genetic make-up, health and nutrition of their stock - from broodstock and hatchery through to nursery and grow out.

Benchmark has a broad portfolio of products and solutions, including salmon eggs, live feed (Artemia), specialist diets and probiotics and sea lice treatments. Find out more at [www.benchmarkplc.com](http://www.benchmarkplc.com).
