Dear Sir/Madam,

Ref.: Clarification regarding updates pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

We refer to your e-mail seeking clarification on the update provided by us i.e. the Insurance Regulatory and Development Authority of India (IRDA) has issued certificate of Registration to Company to carry on business and act as Corporate Agent (Composite) i.e. for Life, Health and General Insurance. The Company would use existing branch network for distribution of Insurance Products and would earn fee income.

In this regard please find below our reply:

Expected Benefits: Company would earn commission on the insurance products sold by it.

Estimated amount to be invested: The Company would utilize its existing branch network and employees on roll for the purposes of selling insurance products after providing them necessary training. As such there would not be any capital investment for the purposes.

We trust you would find the above in order.

Thanking you,
Yours faithfully,
for Capri Global Capital Limited
