Dear Sir

Sub: **Modernization of Plant at Gudur**

Ref: **Script Code: -“ NELCAST”**

We are pleased to inform you that, the Company has upgraded its production facilities at the Gudur plant. The center piece of the new production facilities is a DISA FLEX High Pressure Moulding Line which is well complemented by state-of-art sand preparation & metal pouring equipment. This will enable the Company to attract new customers both from Domestic and Export markets. Due to this modernization, the Company will be able to cater to the newer generation of vehicles and will be able to supply superior quality of products. The installed capacity of the Plant will remain same.

A formal inaugural function is scheduled on 30th September 2013.

For your kind information and necessary action pl.

Thanking you.
