LIMITED REVIEW REPORT

Review Report to
The Board of Directors
Rama Steel Tubes Limited
No. 7, 1st Floor, Surya Niketan,
Vikas Marg, New Delhi-110092

We have reviewed the accompanying statement of un-audited financial results of **M/S RAMA STEEL TUBES LIMITED** for the quarter ended **30th June 2016**. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors/ committee of Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, Engagements to Review Financial Statements issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

We have not reviewed the financial statement of the one subsidiary included in the consolidated quarterly financial results. These financial statements and other financial information have been reviewed/certified by the other auditor or Company's management and furnished to us, and our opinion, in so far as it relates to the amount included in respect of the one subsidiary company, are based solely on those reviewed/certified financial statements.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
