Dear Sirs,

Tata Power's South African Joint Venture Company Cennerggi announces the commencement of Commercial Operations for its 95 MW Tsitsikamma Community Wind farm (TCWF) Wind Farm Project

Cennerggi (Pty) Ltd., the Company's 50:50 joint venture with Exxaro Resources in South Africa, announced the commencement of Commercial Operations for its 95 MW Tsitsikamma Community Wind farm (TCWF) Wind Farm Project yesterday. The said wind farm comprises of 31 nos. V 112, 3.075 MW Vestas make turbines. Cennerggi was selected as the preferred bidder for two wind projects under the second window of the Renewable Energy Independent Power Producer Procurement Programme (REIPPPP) by the South African government. With the commissioning of the Tsitsikamma project, Cennerggi's operational portfolio has increased to 229 MW as it had achieved commercial operations of its 134 MW Amakhala Emoyeni Wind project recently last month on 28th July 2016.

The Press Release to be issued by the Company is attached for your ready reference.

Yours faithfully,
For The Tata Power Company Limited

(H. M. Mistry)
Company Secretary

Encl.

Tata Power's South African Joint Venture Company Cennergi announces the commencement of Commercial Operations for its 95 MW Tsitsikamma Community Wind farm (TCWF) Wind Farm Project

National, 18th August 2016: Cennergi (Pty) Ltd, Tata Power's 50:50 joint venture with Exxaro Resources in South Africa, announced the commencement of Commercial Operations for its 95 MW Tsitsikamma Community Wind farm (TCWF) Wind Farm Project yesterday. The said wind farm comprises of 31 nos. V 112, 3.075 MW Vestas make turbines. Cennergi was selected as the preferred bidder for two wind projects under the second window of the Renewable Energy Independent Power Producer Procurement Programme (REIPPPP) by the South African government. With the commissioning of the Tsitsikamma project, Cennergi's operational portfolio has increased to 229 MW as it had achieved commercial operations of its 134 MW Amakhala Emoyeni Wind project recently last month on 28th July 2016.

Speaking on achieving this milestone, **Mr. Anil Sardana, CEO & Managing Director, Tata Power**, said, *"Tata Power has been pursuing growth opportunities in India and overseas. Our successful partnership with Exxaro represented a significant move towards augmenting our global footprint and resulting in Cennergi becoming a preferred bidder for two wind projects. The commissioning of the Tsitsikamma Community Wind farm has further augmented Tata Power's renewables portfolio outside India and represents the company's commitment and progress on its objectives of enhancing non-fossil based generation portfolio up to 30-40% of its total generating capacity and thereby creating value for its stakeholders."*

We would once again like to take this opportunity to thank the Department of Energy, Republic of South Africa, Eskom, our partners Exxaro Resources, Vestas (our WTG supplier for the project), lenders to the project and all the community stakeholders for their contribution towards successful implementation of this project".

About Tata Power:

Tata Power is India's largest integrated power company with a growing international presence. The Company together with its subsidiaries and jointly controlled entities has an installed gross generation capacity of 9184 MW and a presence in all the segments of the power sector viz. Fuel Security and Logistics, Generation (thermal, hydro, solar and wind), Transmission, Distribution and Trading. It has successful public-private partnerships in Generation, Transmission and Distribution in India namely "Tata Power Delhi Distribution Limited" with Delhi Vidyut Board for distribution in North Delhi, 'Powerlinks Transmission Ltd.' with Power Grid Corporation of India Ltd. for evacuation of Power from Tala hydro plant in Bhutan to Delhi and 'Maithon Power Ltd.' with Damodar Valley Corporation for a 1050 MW Mega Power Project at Jharkhand. Tata Power is serving more than 2 million distribution consumers in India and has developed the country's first 4000 MW Ultra Mega Power Project at Mundra (Gujarat) based on super-critical technology. It is also one of the largest renewable energy players in India with a clean energy portfolio of 1749 MW. Its international presence includes strategic investments in Indonesia through a 30% stake in the leading coal company PT Kaltim Prima Coal (KPC), 26% stake in mines at PT Baramulti Suksessarana Tbk ("BSSR"); in Singapore through Trust Energy Resources to securitize coal supply and the shipping of coal for its thermal power generation operations; in South Africa through a joint venture called 'Cennergi' to develop projects in sub-Sahara Africa; in

for immediate use

PRESS RELEASE

Zambia through 50:50 joint venture with ZESCO for 120 MW Hydro which has become operational in 2016; in Georgia through AGL which is a joint venture with Clean Energy, Norway & IFC for development of 185 MW hydro project which is scheduled to be commissioned in 2016; in Australia through investments in enhanced geothermal and clean coal technologies and in Bhutan through a hydro project in partnership with The Royal Government of Bhutan. With its track record of technology leadership, project execution excellence, world class safety processes, customer care and driving green initiatives, Tata Power is poised for a multi-fold growth and committed to 'lighting up lives' for generations to come".
