Dear Sirs,

With reference to your email dated 21st October, 2016, we would like to clarify the following:

1. Brief profile - Ninad Karpe served as MD & CEO of Aptech Ltd since February 2009, a global education company, which has trained more than 7 million students over the last 28 years and now operates 1300 plus centres in India and China, as well as 40 emerging countries.

Since joining the company, Karpe has been aggressively pursuing a strategy to position Aptech Ltd on the world stage as a truly global provider of learning solutions.

He previously served CA Technologies, the world's fourth largest software vendor, as MD covering India & SAARC countries. In this post, Karpe was responsible for extending the company's technology reach and building strategic partnerships.

Earlier in his career, Karpe worked as a consultant, advising companies seeking to invest in India. During this stint, he authored books on taxation and foreign investment in India. He frequently writes for magazines and contributes to management schools by presentations on business strategy.

Karpe is a regular blogger (www.reformingeducation.in) and serves as an independent director on the boards of a number of public companies. He is well travelled and has a rare, but interesting hobby of home wine-making.

He will cease to be MD & CEO of the Company at the close of business hours on 2nd November 2016

2. Mr. Ninad Karpe is not related to any Directors of the Company

Thanking you,

Yours faithfully,
For Aptech Limited

Ketan H. Shah
Company Secretary
