Sub : Subros inaugurates new manufacturing facility for Engine Cooling Module (Radiator) at Manesar

Dear Sir,

This is with reference to the clause -36 and others of the Listing Agreement, please find enclosed the under mentioned update :

Strengthening the collaboration between Subros and Denso Japan further, Manufacturing facility for Engine Cooling Module (Radiator) was inaugurated today by Mr. Y Makino, Sr Executive Director, Denso Corporation Japan, Mr. Y Kajita, Managing Director, Denso India International and Mr. Ramesh Suri, Chairman and Mrs Shradha Suri Marwah, Managing Director of Subros Limited at the Manesar plant of Subros .

The entry into Radiator Manufacturing will add significantly to the business profile of Subros and will also improve utilization of it's capacities.

Company Brief

Subros Limited, founded in 1985 as a joint venture public limited company with 40% ownership by Suri family of India and 13% ownership by Denso Corporation & Suzuki Motor Corporation each, is the leading manufacturer of thermal products for automotive applications in India, in technical collaboration with Denso. The company has grown from a capacity of 15,000 AC units in 1985 comprising of largely an assembly operation, into the largest and only integrated manufacturing unit in India for Auto Air Conditioning systems. Subros manufactures compressors condensers, Heat Exchangers and all connecting elements required to complete AC loop and caters to all segments viz. Passenger Vehicles, Buses, Trucks, Refrigeration Transport, & Railways."

This is for your information & record, please.

Thanking you,

Yours faithfully,
For SUBROS LIMITED
