Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2017, we have audited the internal financial controls over financial reporting of Raymond Limited (hereinafter referred to as "the Holding Company") and its subsidiary companies, its associate companies and jointly venture, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding company, its subsidiary companies, its associate companies and jointly venture, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on "internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:
 - (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

Annexure A to Independent Auditors' Report

Referred to in paragraph 13(f) of the Independent Auditors' Report of even date to the members of Raymond Limited on the consolidated financial statements for the year ended March 31, 2017

Dalal & Shah LLP

- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company, its subsidiary companies, its associate companies and jointly venture, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

9. Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to four subsidiary companies and two associate companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India. Our opinion is not qualified in respect of this matter.

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. - (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Branded Textile Segment which was impacted in Q3 due to demonetization, witnessed volume led recovery in this quarter. The wholesale channel in suiting business surpassed last year's sales volume by 8% for the first time in Mar'17 post demonetization. Revenue for Q4 was Rs. 737 Crores, up by 9% and EBITDA was Rs. 126 Crores, up by 42% over Q3. EBITDA performance improved in Q4 over Q3 on back of higher Sales and savings in cost. Revenue was flat and EBITDA lower by 20% versus previous year.

Branded Apparel Segment which had witnessed subdued sales performance in Q3 bounced back to pre-demonetization growth levels. Sales at Rs.360 Crores was up 16% both over Q3 as well as previous year led by strong performance of primary channels. EBITDA impacted due to heavier EOSS & statutory levies.

The above segments in the published financial statements have been reclassified to provide better clarity on business performance for corresponding prior periods.

Retail Stores count as on March 31, 2017 stood at 1,080 across all formats, including 49 stores in the Middle East and SAARC region covering over 1.99 million square feet of retail space. Sales in Q4 across the exclusive network grew by 3% in over previous year and blended like to like growth across formats was negative 2%, impacted by preponment of EOSS and deep discounts. However, Like to Like growth across formats for the full year was 3%

Garmenting Segment Sales was Rs 184 Crores, higher over Q3 by 43% and EBITDA at Rs 33 Crores higher by 33%. Sales over previous year up 6% however, EBITDA declined by 35% mainly due to shift in preference for lower cost synthetics fiber resulting in lower realization.

Luxury Cotton Shirting Fabric business de-grew by 19% over Q3 to Rs 106 Crores on back of lower offtakes. Sales over previous year was lower by 10% and EBITDA by 13%

Tools and Hardware segment sales was Rs. 93 Crores, higher over Q3 by 17%. Sales versus previous year grew marginally by 2% due to lingering impact of demonetization cascading further to decline in EBITDA by Rs. 2 Crores.

Auto Components segment Sales at Rs. 41 Crores is higher over Q3 by 8% and EBITDA at Rs 6 Crores was higher by 43%. Revenues over previous year up 10% and EBITDA jumped three fold. The business is on track of delivering profits for successive last 4 quarters and maintaining its profitability momentum.

Announcing the results, **Mr. Gautam Hari Singhania, Chairman & Managing Director, Raymond Limited** said, *"The financial year 2016-17 was combination of two extremes; while the H1 performance met our internal targets, the second half witnessed unprecedented disruptions due to liquidity crunch arising out of demonetization. We believe that times like these bring many positives & opportunities in the long run and remain optimistic about the growth story of India. We have closed the quarter on a positive note with double digit revenue & profitability growth sequentially over previous quarter on the back of strong portfolio of power brands coupled with a robust retail network that has shown resilience in such a challenging environment. Having initiated the transformation journey, with a vision of "Reimagined Raymond", we are confident that our strategic initiatives will continue to enhance shareholders value."*
