RIR Power Electronics Limited appoints N Ramesh Kumar as Managing Director and Chief Executive Officer

Mumbai, February 9, 2026: RIR Power Electronics Limited (Bombay Stock Exchange: BSE) announced the appointment of N Ramesh Kumar as the Managing Director and Chief Executive Officer with effective from 11th February, 2026. Ramesh G. Trasi, who has served as CEO of the company for over 22 years, will transition to the role of Chief Technology Officer, where he will continue to drive RIR Power Electronics' technology and innovation roadmap.

Ramesh Kumar has over 42 years of experience in driving growth across sales & marketing, business development, and P&L-led business management spanning multiple product lines and geographies. Being a strategic leader, he has consistently strengthened market share through focused expansion, new product development, and brand-building initiatives. Previously, as Global Business Head of Industrial Products and Solutions at CG Power and Industrial Solutions Limited, he has successfully scaled operations, managed complex portfolios, and delivered sustained profitability. He has also been a member of CG Power Executive Committee, the highest decision-making body under the Board, where he played a key role in shaping the company's business strategy by effectively engaging with customers, channel partners, business partners, and unions. Most recently, he served as CEO at Diffusion Engineers Limited, overseeing domestic and international manufacturing plants and regional sales operations.

Commenting on the appointment, **Dr. Harshad Mehta, Non-Executive Chairman, RIR Power Electronics Ltd** said, *"We are pleased to welcome N. Ramesh Kumar as the new MD and CEO of RIR Power Electronics Ltd. We are confident that under his dynamic leadership, RIR will accelerate innovation, drive strategic execution and strengthen operational excellence across the organization. With nearly four decades of rich experience in scaling businesses, building high-performance teams, and navigating complex global markets, Ramesh's leadership will be instrumental in advancing our growth strategy, expanding our product portfolio and supporting RIR's vision to expand its footprint in the global power semiconductor industry. This appointment reinforces RIR's long-term strategy to enhance our global market presence and leadership."*

On this occasion, **N Ramesh Kumar** said, *"I am honored to take the role of MD and CEO at RIR Power Electronics Ltd. and build on the company's strong foundation. With the support of our highly talented and committed team, I look forward to leading RIR into its next phase of growth. We remain focused on delivering industry-leading solutions while aiming to set new benchmarks for performance and excellence across the sector."*
