Limited Review Report**Review Report to
The Board of Directors
Intellect Design Arena Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Intellect Design Arena Limited ('the Company') for the quarter ended September 30, 2016 (the "Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 05, 2016, except for additional information provided under Note (k) of the Statement which has been presented based on financial information compiled by the management and has not been reviewed by us. This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with recognition and measurement principles laid down in the applicable Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognized accounting policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 05, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. We draw attention to Note (f) of the Statement, whereby the Board of Directors of the Company at their meeting held on May 3, 2016 have approved a Scheme of Arrangement for merger of certain wholly owned subsidiaries into the Company with effect from the date of approval of such scheme. The Scheme of Arrangement is subject to various regulatory approvals as specified in the said note, before it is given effect to. Our report is not qualified in respect of this matter.

New Product on the block:

Intellect is positioned at the forefront of the digital transformation that global banks and insurance companies are looking for in a connected world. Intellect strongly differentiates itself in the global market place with Digital 360, its holistic approach to accelerate digital transformation programs for financial institutions. Intellect's true Omni-channel apps based customer engagement platform help banks and financial institutions achieve their Digital Transformation vision. Designed at FT 8012, the World's first Design Center dedicated to financial technologies, Intellect's Digital Product Powerhouse unlocks value to fuel transformation with a true digital edge.

Digital Transaction Banking (DTB) available as SaaS: iGTB, the organisation behind the world's first comprehensive global transaction banking solution, has made its well-established global integrated cash and trade solution, Digital Transaction Banking (DTB), available as Software as a Service.

DTB comprises account services, reporting, collections and receivables (including EIPP), liquidity, trade finance, supply chain finance and treasury products, all seamlessly integrated. The product continues to experience great success and increasingly, banks are requesting a software deployment model that gives an even faster and simpler way to access these services. This is based on the model bank concept with many pre-configured elements and a comprehensive set of tried-and-tested customer journeys.

III. Management Statement

Arun Jain, Chairman and Managing Director, Intellect Design Arena Limited said, "It is no coincidence that in this quarter we have won three large transformation deals including one from Europe. That large customers have trusted us with transformation of their core business is a proof of the robust engineering capability that we have built. The investments that we have made have given our Products a Digital edge and if we participate in a deal we find ourselves invited to the negotiation table more often than not."

S Swaminathan, Chief Financial Officer, Intellect Design Arena Limited, said, "In the current environment of global volatility, I am pleased to observe that we have delivered growth in this quarter. Our Portfolio approach to business provides us the assurance of growth. Given the pay off of a portfolio approach, we would continue to make investments to build deeper moats around our products. Indeed such a strategy requires more investments than a single product company. We would shortly raise more funds to fuel this growth."

IV. Setting New Benchmarks

A. iGTB's Algorithmic Liquidity Solution achieves a new benchmark on SPARC T7 Server.

iGTB Solution achieves 10 times faster benchmarks on Liquidity Platform running on SPARC T7 servers for processing transactions covering the key functions of corporate Algorithmic Liquidity Management (ALM). The iGTB solution can process over one million complex sweep structures at 7,516 instructions

per second. It is also capable of processing over 200,000 transactions with up-to-three-months back dated sweeps in a little over three minutes; and over a million with full intercompany loan processing in nine minutes (1,692 per second).

Performance benchmarking was conducted and reviewed jointly by iGTB and Oracle Systems engineering teams. The tests were conducted across a mix of 11 business-critical batch processes. The solution was tested on SPARC T7 servers with Oracle Database 12c and Oracle Solaris 11 to determine their performance and scalability parameters

B. Intellect Risk Analyst, a virtual assistant for underwriters achieves VerAfied Status

Intellect SEEC, the insurance software division of Intellect Design Arena earns the VerAfied status for its product Intellect Risk Analyst. This newly achieved status demonstrates that Intellect is committed to developing secure software products and digital platforms for their customers, shortening the company's sales cycle and giving it a competitive advantage over companies offering similar solutions.

C. Intellect Risk Analyst completes SSAE 16 SOC 2 certification

Intellect SEEC provides a secure business environment and ensures complete protection of data. It has completed the Statement on Standards for Attestation Engagements (SSAE) 16 SOC 2 Type 1 for its Risk Analyst product as attested by independent third-party CPA audit firm Auditwerx. The SOC 2 report is an attestation standard issued by the American Institute of Certified Public Accountants (AICPA) that reports on controls supporting the services provided by companies to its customers. This audit demonstrates the company's adherence specifically in the areas of Security, Availability, Processing Integrity, Confidentiality and Privacy.
