Dear Sir,

This refer to your query dated 30.11.2021, seeking clarification on the price movement of equity shares of Kilburn Engineering Limited on BSE in the recent past.

With regard to the points raised in your query we wish to clarify as under :

- i. Our Company has taken due care of investors' interests and all material events and Price Sensitive Information were always disclosed timely, as and when required and the same shall continue to be made by the Company.
- ii. All price movement in the market is caused by the activity of Buyers / Sellers and their perception, and our company's scrip has very low volume on daily basis. Securities having low trading volume, usually show more volatile price movements.

Further, we would like to clarify that apart from the abovementioned reasons, we are unaware of the reasons, if any, for the movement in the price of the Company's scrip, in the recent past, as stated in your query.

Thanking you
For Kilburn Engineering Limited
