Cerebra Integrated Technologies Limited is pleased to announce that it has undertook part of LG Electronics India Limited's (LGEIL) EPR commitment for the current fiscal year (FY 2019-20) as its major client as a Producer Responsibility Organization (PRO). Cerebra has undertaken a commitment of collecting and recycling Consumer Electrical & Electronics Waste (CEEW - TVs, Refrigerators and Washing Machines) after obtaining its recycling licence capacity enhancement to 20,000 MTs/Annum from Karnataka State Pollution Control Board for Cerebra's E Waste recycling facility at Narsapura.

Cerebra has been entrusted by LG Electronics this fiscal year with an initial task and creating awareness amongst consumers for giving the end of life products for recycling. Cerebra will collect end of life LG Electronics products back from the consumer to recycle at Cerebra's recycling plant at Narasapura, Kolar District near Bangalore.

Cerebra Integrated Technologies Limited has geared up by having dedicated PRO collection centers as approved by LG Electronics (LGEIL) in Bengaluru, Chennai and Hyderabad regions. These offices will serve as collection centres for LG Electronics too. With the existing network of channel partners in South India, Cerebra is geared to complete the collection within the stipulated time.

Cerebra Integrated Technologies Limited is a public listed Company and has launched one of India's largest E-Waste Recycling units in February 2017 and has built additional capacity to address one of most neglected and unorganised sectors in India. Electronic waste management, or e-waste management, has emerged as one of the most toxic waste streams in the world, and India is the fifth largest producer of such waste in the world.

Thanking you
