

SOMANY CERAMICS LIMITED

Q1'FY16 - Investor Update

July 2015

Message

The state of real estate and in turn building and construction material industry remained sluggish. Despite challenging time, Somany has yet again delivered decent set of numbers maintaining its tradition of growth above the industry average.

While the yoy growth of net sales during the quarter was 18.6%, the EBIDTA, PBT and PAT growth was also higher at 20.1%, 31.7% and 30.0% respectively

To sustain the growth momentum in future Somany is taking steps to add additional tile manufacturing capacity of ~8 million square meters per annum within next twelve months post which its access to capacity shall go up to ~60 million square meters.

Though there is an air of cautious optimism around Indian economy, we at Somany are bullish about its future growth prospects in general and our industry in particular especially in the backdrop of various initiatives being taken by the incumbent government which would fructify in near future.

Key Government Initiatives

GDP uptick

- Improved Economy to lead to increased demand for residential units and commercial office spaces

Smart Cities

- Offers opportunities through varied measures such as Increased Infrastructure in terms of roads, houses, green spaces, education institutions, improved services to citizens
- Aims to improve quality of life

Dedicated Freight Corridor

- Will result in creation of multiple towns and cities along the corridor
- Lead to reduction in transportation time between states thereby lowering working capital requirement

Swachh Bharat Abhiyan

- Government's pet project which aims to improve the sanitation facility in the country
- Aims to make India Open Defecation Free (ODF) and will drive demand for Tiles & Sanitaryware
- Large corporate investments as part of CSR to strengthen the initiative and boost demand prospects

Housing for All

- Government aims to provide housing for all by 2022
- Will require an investment of USD 2 trillion in providing ~11 crore houses
- Will catapult the demand for Building materials
