## **Datamatics receives top honour at Asia Outsourcing Leadership Awards 2016 for its Health Insurance BPO practices**

**23<sup>rd</sup> February 2016, Mumbai:** Datamatics Global Services Ltd. (DGSL) has been awarded the best "Health Insurance BPO Provider" at the Asia Outsourcing Leadership Awards 2016. Mr. Rahul Kanodia - CEO & Vice Chairman, DGSL received the award at a prestigious ceremony in Mumbai.

Datamatics has been a partner to several global healthcare providers worldwide, processing over 77 million health claims per year with close to 99.95% accuracy. By leveraging smart automation solutions for document processing, Datamatics provides its customers the flexibility of scalability to optimize their business performance.

On receiving this prestigious award Rahul Kanodia, Vice-Chairman & CEO at DGSL said, "We are very proud to have won this accolade. This recognition reiterates our focus on creating customer centric solutions. These solutions have been providing our customers operational efficiencies, enhanced customer satisfaction and competitive edge for higher business growth."

Added Rahul, "Infact, our work in the healthcare BPO space has been recognized by several prestigious industry bodies and also by clients. We have had the privilege to receive the 'Global Quality Challenge Award' for seven consecutive years from a leading global health insurance payer."

Datamatics applies advanced technologies to the core business functions for increased productivity while maintaining high quality delivery. Datamatics' healthcare offerings encompass best in class services across claims management, member services, provider maintenance and administrative services and have been facilitating collaboration between providers, payers and agents.

### **About Datamatics Global Services**

Datamatics, a trusted partner to several Fortune 500 Companies is a global provider of Information Technology (IT) and Business Process Outsourcing (BPO) and Consulting services. The company provides business aligned next generation solutions to a wide range of industry verticals that help enterprises across the world overcome their business challenges and achieve operational efficiencies. These solutions leverage innovations in technology, knowledge of business processes, and domain expertise to provide clients a competitive edge. Datamatics' award winning solutions have been helping its clients achieve maximized productivity, enhanced efficiency in business process and shorter turn-around-time.

Continuation
