**Sub: Rectification of Figure Presented in Annual Investor Update for the FY 17**

Dear Sir,

Please refer to the annual Investor Update for the FY 17 shared with you. In the highlights section on page 7 of the said Investor Update "Yearly Pre-tax Operating Cash Flow" was inadvertently written as negative INR 34.01 crores instead of negative INR 32.90 crores.

Please read the figure of "Yearly Pre-tax Operating Cash Flow" as negative INR 32.90 crores.

Thanking you,  
For Ashiana Housing Ltd.
