Adani Group confirms participation in 5G auctions

“In addition, as we build our own digital platform encompassing super apps, edge data centres, and industry command and control centres, we will need ultra-high quality data streaming capabilities through a high frequency and low latency 5G network across all our businesses,” the statement elaborated.

FE had reported on Saturday that Adani Group may use the airwaves to set up a private captive network for its data usage, something which has been allowed by the government.

The government has so far allowed enterprises like Adani to build their captive data networks by either taking spectrum on lease by the telecom operators or giving them a turnkey contract to build the same. As far as direct allocation of spectrum to enterprises is concerned, while the government has given an in-principle approval, it has said that it would first assess the demand and then ask the Telecom Regulatory Authority of India to frame rules in this regard.

However, there's nothing in the regulation which prohibits any enterprise from buying spectrum in the auctions and use it for private captive network. It is up to the firm concerned what kind of licence it acquires to use the spectrum.

Digital banking to get human touch with metaverse

Both Kiyaverse and Union Bank's metaverse work on similar technological lines involving virtual reality and digital avatars. Right now, the Union Bank is not going into the next phase where transactions and other services can be provided,” said the bank's CTO, explaining that there are security and regulatory aspects that need to be taken care of. Mirjankar also admits that the banking industry is still at a 'nascent' stage in the metaverse and that banks must consider adopting immersive technologies “for the future of business”.

Investor interest fuels small town startup story

“During the pandemic, businesses had to pivot to new models of working and workforce engagement, and this opened up the opportunity for companies to hire the best talent irrespective of geographical restrictions. At the same time, companies found value in low-infrastructure costs available in Tier II cities, without compromising on any aspect of quality,” said Sparsh Kaur, chief of staff at AgNext Technologies, an agritech startup based in Mohali, Punjab.

Misconceptions spread by Allopathy

Save yourself and the country from the misconceptions spread by pharma and medical industry. Let's make India disease free.

With hopes of a better and disease free life, people have been depending on allopathic medicines of BP, sugar, thyroid, asthma, cholesterol etc for years. These medicines have now become a part of the daily lives of patients suffering from these chronic lifestyle disorders. Unfortunately, the health improvement that these medicines were meant to bring along is no where to be seen. Rather, patients who have been on such medications for years are now feeling the hellish pangs of the adverse effects that these medicines have brought along. Clearly, there is a need to revamp the entire outlook towards healthy living. To achieve holistic healthy living, we went back to the ancient medicinal treasures of great sages, like Maharishi Charak, Maharishi Sushruta, Maharishi Dhanvantari and Maharishi Patanjali, to find the answers for a disease-free life for crores of people. The treatment regimens that we use are all based on the principles of Yoga and Ayurveda, and their efficacies are proven through modern scientific techniques.

B.P. Over the years despite taking allopathic medicines people have been suffering from heart, brain stroke and kidney failures, irritability and insomnia.

By doing regular Pranayama and Yoga, along with having gourd juice, Bpgrit and Muktavati, crores of people have been totally cured of B.P. and problems of B.P. related complications.

Sugar For years, despite having allopathic medicines for sugar, people have experienced weakening of eyesight together with an increase in creatinine and weakness of nerves (neuropathy). Patients have increasingly experienced a loss of overall immunity.

Through integrated Yoga, Pranayama, Madhunashini, Madhugrit and administrations of juices of Cucumber, Bitter gourd, Tomato and Giloy along with balanced diet, we have eradicated sugar and its complications in people. For the first time we have successfully reverted patients with type one diabetes into non-diabetics.

Thyroid The known medication for thyroid results in weight gain in patients, besides, leading to other complications.

Glimpses of Yoga, Ayurveda, Naturopathy and Panchkarma Integrated Therapy

Along with different practices of Yoga, such as, Kapaalabhaati, Ujjayi etc., consumption of coriander water and Thyrogrit, have helped people to get rid of thyroid problem and associated complications.

Eye and Ear Diseases There is no cure in allopathy for Glaucoma, night blindness and hearing problems, like tinnitus.

But Yoga, along with administration of Eyegrit for eyes and Eargrit for ears, have helped many people to overcome their problems of eyesight and hearing.

Cholesterol Allopathic medicines as blood thinners and controlling cholesterol have led to aberrant blood profiles

and adverse effects on liver.

Practicing Yoga along with administration of Lipidom, gourd juice and bark of the Arjun tree, we controlled cholesterol naturally.

Liver Liver disease, such as, fatty liver, liver cirrhosis and hepatitis do not have any permanent cure in Allopathy.

With regular practice of Yoga and having juice of Bhumi Amla, Punarnawa along with Livogrit and Livamrit we have cured fatty liver, liver cirrhosis, hepatitis and strengthened the digestive system.

Skin diseases Dermatologists do not have any permanent

cure for skin diseases like leucoderma, eczema, psoriasis. Patients suffering from these diseases are left with no choice but to bear the consequences of steroids and various other chemicals.

By cleansing the body through Yoga, Ayurveda, Naturopathy and Panchkarma along with the use of Kayakalp Vati, Dermagrit and Psorogrit, we have permanently cured people of skin diseases.

Arthritis Allopathic medicines for arthritis like painkillers, steroids and biological drugs have severe adverse effects on the quality of life of the patients. These medicines weaken the bones, reduce metabolism and even lead to diseases like diabetes.

Through regular Pranayam, administration of Aloe vera, Giloy, Ashwasha, Orthogrit and Peedanil Gold, and massage with Peedantak Oil we have cured people suffering from diseases like arthritis, cervical and ankylosing spondylitis.

Asthma People suffering from Asthma get temporary relief with inhalers and steroids as their asthmatic attack gets suppressed for a while but they damage the lungs in the long run. Moreover, these treatments do not cure Asthma.

With the help of Bhastrika, Kapal Bhati, Anulom Vilom, Pranayama, Bhujang Asanas and Yoga Nabhabasti, along with administration of Swasari Pravahi, Swasari Vati, Swasari Gold and Cucurmin Gold, we have eradicated asthma and lung fibrosis and restored overall respiratory health of the patients.

Incurable disease Allopathy does not have any permanent and proven cure for ailments like heart blockage, infertility, urinary tract infection, stress and autoimmune diseases, such as, SLE, MS, ANA, AVN, HLAB27.

We have cured thousands of people of these incurable and life threatening diseases and have provided scientific evidence to back up the efficacies of our treatments. For more information, please visit our website: www.patanjaliwellness.com
