P.S. Attempts were simultaneously made to upload the data on both NSE and BSE. While the Company could successful upload on BSE, attempts to upload on NSE encountered some technical difficulties. As the information had anyway become public in time as per the listing stipulations, the delay in uploading on the NSE portal (NEAPS) is merely technical, inadvertent and anyway beyond the control of the Company. Its attempt to upload is documented. No prejudice to investor interest has been caused due to this unintended and technical lapse.
