Dear Sirs,

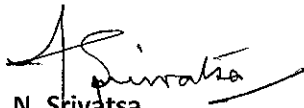

Sub- Significant Order from Europe- TDPS enters new frontiers – 200MW installation in Germany

The Company (TDPS) has received an order from a large multinational company in Europe to supply multiple units of 10MW generators to be installed in a single power plant inside Germany. The total installed capacity will be 200MW.

The supply will start from July 2016 and completed by November 2016. This will be the biggest installation for TDPS inside Germany. With this contract TDPS affirms its position as a leading global generator manufacturer with its generators catering to power supply in some of the most competitive markets of the world. This large installation reference will open the doors to other European customers in the years to come.

Thanking You
