Ref: (i) NSE letter no. NSE/CM/Surveillance/12017 dated the 20th June, 2022

(ii) Email dated the 20th June, 2022 received from BSE regarding news item "Gurgaon builder told to pay Rs 100 crore for violation of green norms".

Dear Sir/Madam,

With reference to the captioned matter and as per the information received from legal department, kindly note the following:

The genesis of the proceedings before the Hon'ble National Green Tribunal, New Delhi ("NGT" or "Hon'ble Tribunal") arising out of an Application filed by one Shri Praveen Kakar in September, 2018. The allegations levelled against Ansal Properties & Infrastructure Limited ("Company") were that the Company was violated environmental laws at Sushant Lok-I, Gurgaon, Haryana. During the course of the proceedings, the Hon'ble Tribunal constituted, a committee on the 19th September, 2018 comprised of Centre Pollution Control Board (Coordinator), Town & Country Planning dept., Haryana, Delhi School of Planning and Architecture, Central Ground Water Authority and State Environment Impact Assessment Authority.

The NGT vide its Order dated the 05th February, 2020 directed recovery of environment compensation amounting approx. Rs. 16.72 crores without affording any opportunity to the Company for hearing /clarification with respect to the reports so submitted by the Committee.

Aggrieved by the Order dated the 05th February 2020, the Company preferred two separate Special Leave Petitions before the Hon'ble Supreme Court. The Hon'ble Supreme Court vide its Order dated the 14th October, 2020 directed the parties to maintain Status quo. Despite the fact that the Hon'ble Supreme Court had directed maintenance of status quo vide its Order dated the 14th October, 2020, the Central Pollution Control Board again vide its letter dated the 07th June, 2022 directed the Company to pay/deposit, a whopping amount of Rs. 100 crores as environment compensation (without any basis).

There has been neither any violation of any environmental laws nor causing of any type of environmental pollution and the matter is already Sub-Judice before
