dustries can flood international markets with low-priced goods, undercutting American manufacturers.

USTR chief Jamieson Greer said the investigation would look closely at persistent trade surpluses with the United States, subsidised lending by governments, and the role of state-owned enterprises in shaping global supply chains.

"Our view is that key trading partners have developed production capacity that is untethered from normal market incentives," Greer told reporters during a briefing. The administration has also signalled plans for a separate Section 301 investigation focused on imports produced using forced labour. Officials say the aim is

The opposition BJD and the Congress in Odisha have issued whips directing their MLAs to remain in Bhubaneswar and ensure their presence in the assembly on March 16 for the Rajya Sabha election, in which five candidates are contesting for four seats.

Two official candidates of the BJP are the party's state unit president Manmohan Samal and sitting Rajya Sabha MP Sujeeet Kumar. Former Union minister Dilip Ray is also contesting as an Independent and has the support of the saffron party.

The BJD nominees are party leader Santrup Misra and eminent urologist Dr Dattaswar Hota, whom the Congress and the CPI(M) are supporting.

There is a possibility of cross-voting as neither the ruling BJP nor the opposition BJD has the required numbers to win the fourth seat. A senior official of the
