Dear Sir,

Re: Update on subsidiary Company

We attach a Press Release dated May 8, 2014 with regard to our German step down Subsidiary; Bharat Forge Aluminumtechnik GmbH & Co KG (BFAT), which won a prestigious multiyear contract approximately worth EURO 250 million from a German OEM for supply of suspension components based on unique technology industrialized by BFAT over the past few years. The industrialization of this technology has put BFAT at the forefront of aluminium component industry witnessing a huge demand globally.

We request you to note the same and bring the same to the notice of all concerned.

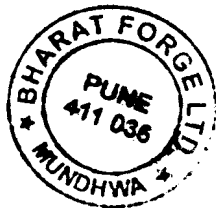

Thanking you,

Yours faithfully,
For Bharat Forge Limited,

P.S. Vaishampayan

Vice President (Legal) &
Company Secretary

BHARAT FORGE

PRESS RELEASE

Pune, 8th May 2014

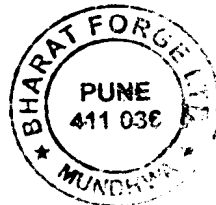

Bharat Forge Ltd.'s German Subsidiary, BFAT
Wins prestigious EURO 250 million multiyear contract.

Bharat Forge Limited is pleased to announce that it's German Subsidiary; Bharat Forge Aluminumtechnik GmbH & Co KG (BFAT) has won a prestigious multiyear contract approximately worth EURO 250 million from a German OEM for supply of suspension components based on unique technology industrialized by BFAT over the past few years. The industrialization of this unique technology has put BFAT at the forefront of aluminium component industry witnessing huge demand globally.

To create capacity for this additional business, BFAT is increasing its capacity by adding a new press line with all auxiliary equipment including melting which will be commissioned in Jan 2015.

This plant is being set up in the state of Saxony at Brand-Erbisdorf at cost of EURO 31 million funded by way of internal accruals, debt & state subsidies.

Commenting on the order win, **Mr. Baba N Kalyani, Chairman and Managing Director of Bharat Forge Ltd., said** "This is a proud moment for our German aluminum forging business and for the Bharat Forge Group. This win has been made possible because of continuous focus on innovation, technology adaptation and execution track record of BFAT and will enhance our presence in the fast growing aluminum components business which is finding increasing use in passenger vehicles for weight reduction and high performance"

About Bharat Forge
